## **BACKGROUND**

**Permit Expiration:** Every permit issued shall become invalid unless the work authorized by such permit is commenced within 180 days after its issuance, or if the work authorized by such permit is suspended or abandoned for a period of 180 days after work begins. Failure to pass a required inspection each 180 days demonstrates suspension or abandonment. In lieu of inspection, the building official may authorize one or more extensions for periods not to exceed 180 days each. The extension shall be requested in writing and justifiable cause demonstrated. **Administrative fee and / or investigation fee may apply.**
