Five-Year Local Option Tax for Operations

**Question** 20 words which plainly phrases the chief purpose of the measure.

Shall the district impose a levy of \$.26 per \$1,000 for five years, for future replacement savings, beginning in FY2018-2019? This measure may cause property taxes to increase more than three percent.

**Summary** 175 words which concisely and impartially summarizes the measure and its major effect.

~~Central Cascades Fire & EMS faces future equipment and apparatus~~ replacement needs. The District's Tax Rate is not enough to allow for these savings.

This levy would replace a preexisting bond which was paid off at the end of 2017. The amount from this levy will increase the current bond rate approximately \$0.11 per \$1,000 of assessed valuation.

The proposed levy, if passed, will allow the District to provide for future savings towards equipment and apparatus.

The proposed rate will raise approximately \$18,273 in 2018-2019; \$18,821 in 2019-2020; \$19,386 in 2020-2021; \$19,967 in 2021-2022; and \$20,566 in 2022-2023. The estimated tax cost for this measure is an ESTIMATE ONLY based on the best information available from the county assessor at the time of estimate and may reflect the impact of early payment discounts, compression and the collection rate.
