9. Commissioner Reports

Commissioner Henslee: Was selected to be on NACO's Agriculture and Rural Affairs Steering Committee, looking forward to representing Klamath County at the Federal level. Additionally, the County is encouraging parties to be prepared for 20-50k visitors in our community for the Eclipse event October 10-15.

Commissioner Minty: Attended KCEDA's Annual Meeting last year, the Economic Development front activity is more so than in the last decade. Also attended and Innovation Hub meeting last week, got to hear Lake and Klamath County's proposal. The movement in Klamath Falls is super exciting.

Commissioner DeGroot: Last week was all about water, had meeting with representatives from Dept. of Interior, US Fish and Wildlife, Reclamation, 5 different Tribes and 4 different County's regarding dam removal, watersheds and agriculture. Had meetings yesterday and today with Governor's staff trying to find solutions for irrigators and how we utilize waste water. The conversations were the best he has been involved in the entire 6 years he's been in office, feels talks are moving in the right direction with all involved.
