KLAMATH COUNTY

*Home of Crater Lake*

OREGON

FINANCE & BUDGET OFFICE

April 13, 2015

Members of the Budget Committee, Board of Directors, and Citizens of Klamath County:

The proposed budget for fiscal year 2016 continues on the principles adopted in fiscal year 2015.

Many tax districts continue to face a serious financial crisis as a result of shrinking revenues and higher expenses. Property tax increases are not keeping pace with the cost of providing services. The State is considering legislation that is affecting the resources that come to local municipal entities to provide the services that the State and Federal Government mandates. The slowdown in the local economy is having a major effect on individuals and families including taxing districts.

The Budget Committee has the opportunity to make any revisions on how the District will utilize resources to provide programs to the residents of Klamath County as demographics vary and change. All funds are required to be balanced per ORS 294.331. A balanced budget means that revenues and expenditures match. Not that current operating revenues equal current operating expenditures. All funds are balanced in accordance with Oregon municipal debt law.

This budget message is organized into five major categories designed to give the reader an overview of District issues, priorities, and finances. They are:

- Revenue and Expense Overview
- Short Term Financial and Other Initiatives that Impact the Proposed Budget
- Long Term Financial and Other Matters that Impact the Proposed Budget
- Significant Highlights and Issues
- Processes Used to Develop the Budget and Organization

The preparation of a budget would not be possible without the hard work and contributions of many. I would like to acknowledge the efforts of the managing agent and program managers that participated to complete this proposed budget.

### **Revenue and Expense Overview**

The District general fund revenues and expenditures are proposed at \$3,349,044. The majority of the revenue is current year property tax collections.

The District's permanent tax rate is \$0.49 per \$1,000 of assessed value. Measure 50 allows a three percent increase in assessed value on existing property, plus an increase for new improvements each year. Tax estimates will be affected by the exemptions that the state legislators approve during session, plus any appeals approved by the State Tax Court.

The state legislature began their session in January 2015. There will be many measures before the legislature and on ballots that could affect this budget if approved. If legislation passes any of the proposed measures, the District will have financial changes to address. The involvement of our Directors and managing agent during state and federal legislation is vital. We need to support the Board and community leaders' roles in working for our community with the state and federal legislatures this coming year.

### **Short-Term Financial and Other Initiatives that Impact the Recommended Budget**

The District completed the purchase and remodel of a new building for the south suburban branch library in fiscal year 2015. The 2016 fiscal year will be the first full year of operations for this facility. Increased facility service charges are reflective of this change.

The District plans to remodel the Children's and Reference service desks at the main branch library at an estimated cost of \$40,000.

The Board of Commissioners chose to change the grade and step tables for county employees to establish a new minimum wage for its employees to approximately \$10 per hour. This change along with the normal union cost of living wage and benefit increases has caused the reimbursement to the county for personnel costs to increase by approximately \$32,000.

We are in a time of low interest rates, which translates into a lower growth rate on our reserve funds. And those investment earnings that we have relied on in the past to supplement programs are not available this year.

### **Long-Term Financial and Other Matters that Impact the Recommended Budget**

The Library continues to feel the impact of reduce property tax collections while costs are rising. The Library will need to be diligent in management of its resources to conserve when need to build for the future. Technology changes and the need access to online resources will continue to impact the Library. The Library completed a long-term projection of building and technology needs and is setting aside funds into the reserve fund for future expenditures.

#### Property Taxes and Debt Limitations

The Library is subject to a number of property tax and debt limitations imposed by Oregon Law. A complete schedule of these limitations is found in Appendix A.

#### Fiscal Policies, Definitions & Budget Format

A complete list of adopted fiscal policies that have been applied to this budget are found in Appendix A. Every effort is being made to find less expensive ways to provide quality services. The budget format is also discussed in Appendix B.

## **Significant Highlights and Issues for 2016**

The south suburban branch opened in fiscal year 2015 and 2016 will be the first full year of operations.

## **Processes Used to Develop the Budget and Organization**

The Budget Committee hearing on the proposed budget will be held April 13, 2015. During the presentation and review, there will be scheduled opportunities for public input. Budget deliberations are also scheduled for this day. All Budget Committee meetings are open to the public and public testimony is always welcome.

Included in this material is an overview of the District, significant accomplishments in the prior year, as well as information on programs. For each program, the budget reflects a statement of purpose, mandated services, self-imposed services, measures of effectiveness, and significant issues facing the department. Additionally, financial information is included.

The budget is adopted in an expense category budget format, although the State of Oregon requires retention of a line-item budget format.

## **Conclusion**

As the Budget Committee reviews the budget with the managing agent, ask the Director what kind of service will be provided to the community with the funds provided, understanding there are limited resources (funds) available. Ask questions about programs and spend less time looking at individual line items. The budget is appropriated by expense category, not line items. After the Budget Committee reviews and makes the desired changes to the budget, it will approve the budget. The approved budget will be published for final public hearing on Tuesday, June 16, 2015, where the Board of Directors will meet in a public session to adopt the budget. The Board of Directors are authorized to amend expenditures in the Budget Committee's approved budget, up to 10 percent of any fund, without reconvening the Budget Committee. The Board of Directors always encourages public input.

I would like to extend my personal thanks to the citizen members of the Budget Committee for their time, concern, and constructive insights. I wish also to acknowledge the Board of Directors' support and leadership.

Respectfully submitted,

A handwritten signature in blue ink, appearing to read "Jason Link".

Jason Link, CPA  
Klamath County Library Service District Budget Officer

**Klamath County Library Service District**  
**2015-2016 Budget Presentation**  
**Appendix A – Property Taxes and Debt Limitations**

**Property Taxes**

The District will certify its State-provided permanent tax rate in the amount of \$0.49 per thousand dollars of assessed valuation for 2015-2016. The total amount of property tax the District expects to levy on behalf of the General Fund is \$2,450,563. Of this amount, the District expects to collect 94 percent for a net of \$2,303,529.

**Property Tax Limitations**

In 1997, voters approved a constitutional amendment known as Ballot Measure 50. Ballot Measure 50 established a permanent tax rate limit for all local governments. The District's rate is \$0.49 per thousand of calculated assessed value. The assessed value is approximately 73.2 percent of real market value. This permanent rate is set by the Oregon constitution.

Other limits were imposed by Ballot Measure 5, another constitutional amendment approved by Oregon voters. This measure limits all local governments to a combined total of \$10 per thousand of real market value. Schools were limited to \$5 per thousand.

**Debt Limitations**

The District has a general obligation bonded debt limit set by Oregon Revised Statute (ORS) 451.454, which is 13 percent of the real market value of all taxable property in the County. The District has no bonded debt outstanding at July 1, 2014.

# Klamath County Library Service District 2015-2016 Budget Presentation Appendix B – Fiscal Policies and Definitions

## **Fund Accounting**

A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts recording cash and other financial resources, together with all related liabilities and residual equities or balances, and changes therein, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations.

Klamath County Library Service District has the following types of funds:

**Governmental Funds** – These funds are typically used to account for tax supported activities. They have a short-term emphasis and generally measure and account for cash and “other assets that can easily convert to cash.” The funds use the modified accrual basis of accounting. Revenues, including funds received from other governmental units and the issuance of debt, are recorded when they are susceptible to accrual. For revenue to be considered susceptible to accrual it must be both measurable and available to the current financial expenditures of the fund. Revenue is considered available when it is collectible during the current period, and the actual collection will occur either (1) during the current period or (2) after the end of the period but in time to pay current year-end liabilities. Expenditures are recorded on an accrual basis because they are measurable when they are incurred. Expenditures include salaries, wages, and other operating expenditures; payments for supplies; transfers to other funds; capital outlays for fixed assets; and payments for the service of debt. Although most expenditures are recorded on an accrual basis (timing emphasis), the measurement focus of a governmental fund significantly affects what items are to be considered expenditures in the governmental fund. Thus, expenditures for a governmental fund cannot be equated to expenses of a business enterprise. Governmental funds applicable to the County consist of:

**General Fund** – The purpose of a general fund is to record financial transactions relating to all activities for which other specific types of funds are not required.

**General Fund - 2510** – This is the general operating fund of the District. Its purpose is to carry out the legislative and executive functions of the District.

**Special Revenue Funds** – Special revenue funds account for the proceeds of specific revenue sources that are legally restricted to expenditure for specific purposes.

**Reserve Fund - 2511** – This fund is for capital projects reserve fund for replacing computer and office equipment, future construction and maintenance of buildings.

The District budgets all funds using the modified accrual basis of accounting, except interfund loans and repayments are budgeted as debt proceeds (repayments) and debt service (repayments).

## **Definitions**

**Beginning Fund Balance** - This is a revenue classification indicating those financial resources which, because they were not expended in one fiscal year, are available in the following year. Included in this total are projects known as carry-forwards. Also included are the unappropriated ending fund balances, contingencies, reserves, and any excess revenue or under expenditures from the previous fiscal year.

**Capital Outlay** - This is an expenditure category. This includes all equipment purchases costing more than \$5,000, all vehicle purchases regardless of cost, as well as land, buildings and infrastructure improvements in excess of \$10,000.

**Change in Fund Balance** - This is the difference between the anticipated beginning fund balance and the anticipated ending fund balance.

**Debt Service** - This is the payment of interest and principal on an obligation resulting from the issuance of bonds, loans or capital leases.

# Klamath County Library Service District 2015-2016 Budget Presentation Appendix B – Fiscal Policies and Definitions

Ending Fund Balance - This amount represents the funds' total unappropriated ending fund balance, reserves, and contingencies.

Expenditures - A fund liability incurred for operation, capital outlay, or their requirements, during a budgetary period.

Materials and Services - This includes transportation, operating expenses, minor equipment purchases, data processing, maintenance and repairs, contracted services, and direct funding to non-County agencies.

Personal Services - This includes total compensation paid to employees including salaries, benefits, and payroll taxes.

Revenues - This is income for the fiscal year and includes transfers and proceeds from the sale of bonds and notes.

Unappropriated Ending Fund Balance - This is the amount set aside in the budget to be used as a cash carryover to the next year's budget. It provides the local government with cash until tax money is received from the County Treasurer in November. This amount cannot generally be transferred by resolution or used through a Supplement Budget unless there is a qualifying emergency (ORS 294.371).

## **Budget Format**

The Klamath County Library Service District budget is composed of object classifications: personnel services, materials and services, capital outlay, debt service, operating contingencies, and reserve for future expenditures.

**Department Mission:**

Klamath County Library District is actively committed to providing access to information resources and customized services for all our county residents, businesses, and agencies, both public and private. It is our conviction that an informed individual is a vital link in a healthy and prosperous community.

**Mandated Services:**

“Measure No. 18-39 Ballot Title – May 16, 2000

Klamath County Library Service District Formation and Permanent Tax Rate

Question: Shall the County Library Service District be formed now with a tax rate of \$0.49 per thousand assessed valuation?

Summary: “This measure may be passed only at an election with 50 percent voter turnout.”

Passage of the measure will provide for the formation of the Klamath County Library Service District within the boundaries of Klamath County and establish a permanent tax rate. The tax rate will initially provide estimated revenue of \$1,335,000.00 annually for the purpose of operating the Klamath County Library. The proposal was initiated due to the loss of revenues from the O&C timber receipts as well as Measure 50. The tax rate will provide funds to increase materials and staff, extend hours of the main library and the branches and open a branch in the South Suburban area and Keno. The proposed tax rate will reduce property tax revenues for units of local government that have reached tax limitations.” Exact Text from Ballot Measure No. 18-39.

**Department Overview:**

Materials and services are provided by the Library District from branch locations in twelve different communities throughout the county. These branches are situated in owned, rented, and shared buildings. The Library District owns buildings in Klamath Falls, South Suburbs, Sprague River, and Bonanza; rents spaces in Gilchrist, Chiloquin, Chemult, and Keno; has an Intergovernmental Agreement with the County School to use space at the Gearhart School in Bly, and is provided space free of charge in the community centers run by the Malin and Merrill Park Districts. A small branch is located in the Senior Citizen Center. The library services and materials that the community can access from these sites include print and electronic collections, internet and computer work stations, and staff who are trained to guide and assist patrons in the use of the libraries.

Library District’s administrative operations are housed at the main library in Klamath Falls. These operations include acquiring materials for its collections and coordinating contracted service with Klamath County for the administration of its personnel, financial resources, information technology, and building maintenance. The personnel who staff the Library District’s operation are employed under an Intergovernmental Agreement that provides them the same rights, responsibilities and benefits as other Klamath County employees.

**Successes and Challenges:**

3117	Number <u>new</u> registered library cards
339,499	Number of physical items for adults checked out
19,349	Number of electronic materials checked out
169,980	Number of physical items for youth checked out
53% (14,406 to 21,492)	Percentage increase in South Suburban attendance since move to new space
49% (20,003 to 29, 726)	Percentage increase in South Suburban circulation since move to new space
528,828	Total number of checkouts, physical and electronic
323,135	Number of visits to all libraries combined

220,861	Number of physical Items available
31,356	Number of physical items that are audio-visual
15,808	Number of physical items added
17,291	Number of physical items withdrawn

6,527	Number of Outreach patrons served (79 homebound patrons)
45,033	Number of items circulated to Outreach patrons
19	Number of outreach facilities served

53,893	Number of items available in Library2Go
22,379	Number of on-line e-books
25	Number of licensed databases
96,943	Number of in-library internet logins
25,081	Number of wireless sessions
19	Number of youth filtered internet stations
47	Number of adult non-filtered internet stations

998	Number of in-library programs for youth
24,292	Number of youth attending in-library programs
264	Number of in-library programs for adults
5,917	Number of adults attending in-library programs

Department: Klamath County Library  
Service District

FY 2016 Proposed Budget

12,395	Number of reference transactions excluding directional question of placing items on hold
--------	--

**Budget Overview:**

The number of library locations, open hours, material and on-line collections, library staff assisting patrons, programs for county residents, allocation for future capital improvements, and contingency funds, determine how the Library District's property tax and other revenues are expended. The budget is also determined by the need to balance the costs of the materials and services, based on revenue, patron and community patterns of use and need, and new developments in resources and technology.

**Major revenue**

Each year the Library District's revenue is determined by an estimated percentage increase of current and prior property tax revenue. This projection is provided by the Assessor and the District's Finance Director. Other sources of revenue are based on fees, charges, and a regular grant from the State of Oregon specified for youth. Other sources of revenue include funds from the State Board of Forestry.

**Major expenditures**

The Library District has three funds from which to expend: General, Reserve, and External Services. The Library District expenditures from the general fund are first based on the charges from the county, then other contracted materials and services charges, personnel, and the materials for direct use by library patrons. The General and Reserve funds have balances that are allocated for contingencies and capital improvements, including for the replacement of computer hardware and other branch facility needs.

**Significant Changes:**

Property tax revenue estimated increase of 1%. Personnel costs will increase by 1% (COLA), and the impact of eliminating UH06 and UH07 classifications and upgrading them to UH08 will be approximately \$32,000 for the fiscal year. \$40,000 was added to Office Furniture 63310 for remodeling the Children's and Reference service desks at the Main Library. The Facilities Services 69910 increased \$26,436 to include South Suburban branch facility as well as its utilities.

**Fund Balance:** The requested beginning fund balance for the General Fund for 2015-2016 is \$907,443 and \$759,256 for the Reserve Fund.

**Key issues:**

The Library District will expend an additional \$31,798.00 in Personnel 69981 to accommodate the countywide 1% cost of living allocation, plus the reclassification of its lowest paid part time employees, as well as scheduled step increases.

Department: Klamath County Library  
Service District

FY 2016 Proposed Budget

Unappropriated Fund Balance and Operating Contingency will increase for a combined total of \$675,618. Library Reserve was appropriated as follows: Reserve Capital Outlay \$124,576, Reserve Future Building Improvements \$457,330, and Reserve Future Vehicle \$45,800. Library Reserve expenditures for fiscal year 2015-16 include replacing a library vehicle \$32,000; upgrading furnishings and facilities improvement at the Merrill Branch, \$30,000; upgrading main library service areas furnishings/fixtures \$30,000, and main library facilities improvement \$93,550.

**Long Range Planning**

Unappropriated Fund Balance and Operating Contingency (lines 99900 & 98000) increased for a combined total of \$675,618 a 4.4% increase from last year. This money is allocated to be carried over to the next years as bridge funding for library operations until property taxes are received in November.

Last fiscal year, transfer to Library Reserve decreased by 95%. This year transfer to the reserve is up (from \$14,791 to \$51,000) but additional reserve fund allocations, including main library sidewalks, geothermal control systems, and fire notification and suppression systems have been added as line items for future required expenditures. The reserve fund is allocated for major capital outlay projects for building maintenance and renovations, and for matching capital campaign fund requests.

**On-Line Resources**

This past fiscal year, the Library Service District, in cooperation with Klamath County IT and Hunter Telecommunications, updated 6 library sites to Hunter's fiber optic network, greatly increasing the District's bandwidth offerings to patrons in 7 out of 12 branches. Over the next 12-24 months it is hoped that Hunter's infrastructure build-out will be to areas that will encompass 3 more rural branches. Hunter worked with Klamath County IT and the service district to bring state-of-the-art bandwidth to our rural area with significant discounts in installation and recurring fees. Plans for the coming year include upgrading firewalls and equipment to allow remote troubleshooting of patron and staff computer stations, and to enhance network security and efficiency.
