100.001 Klamath County Code.

(1) The County Counsel shall publish the Klamath County Code and shall be responsible for codifying any new Ordinances adopted.

(3) Any edition, part or supplement so certified shall constitute prima facia evidence of the law in all courts and proceedings, and any section in such edition, part or supplement may be amended or repealed by amending or repealing such section of the edition, part or supplement without reference to the legislative act from which it was derived.

100.040 Effect of Adoption by Reference. When one Ordinance refers to another or to any State Statute, rule, or regulation, either by general or specific reference or designation, the reference shall extend to and include, in addition to the matter to which the reference was made, amendments thereto and matters enacted expressly in lieu thereof unless a contrary intent is expressed specifically or unless the amendment to the matter referred to is substantially different in the nature of its essential provisions from what the matter to which reference was made was when the Ordinance making the reference was enacted.

200.020 ACCEPTANCE.

(1) Klamath County, as trustee for the public users who were granted rights by R. S. 2477 and as a result of other laws implemented by the United States Congress consistent with the public policy of the United States of America to grant right-of-ways to the public, hereby accepts as Trustee for the public all of the public's right, title, and interest in these rights-of-way.

(2) Klamath County shall not be deemed to consent or have consented to the exchange of any right-of-way granted to Klamath County by virtue of U. S. Congressional action unless a formal written resolution specifically so stating has been passed at a duly called public meeting of the Board of County Commissioners. No employee or agent of Klamath County has been given authority to abandon, waive, or exchange any such right-of-way and any prior action by any employee or agent purporting to take any such action was void when taken, unless:

(a) in the case of exchange, later ratified by formal written resolution as provided herein; or

(b) in the case of abandonment or waiver, action has been taken in accordance with the procedures in O.R.S. 366.005 *et seq.*

(3) Where a right-of-way has been perfected through public use, the failure by the County to conduct mechanical maintenance of said right-of-way shall not affect in any way the status of said right-of-way as a highway accepted by the public in accordance with the policy of the Federal government.

(4) The omission of any right-of-way from any plat, description, or map of County roads or highways, whether required by State law or otherwise, shall not be deemed a failure to accept the grant offered prior to October 21, 1976 as a result of the policy of the United States of America.

200.030 ABANDONMENT.

(1) Abandonment of these rights-of-way shall take place only in accordance with the procedures in O.R.S. 366.005 *et seq.*

(2) If any right-of-way is abandoned by Klamath County, the right-of-way shall revert to the State.

200.040 SCOPE OF RIGHT-OF-WAY.

(1) The scope of these rights-of-way is that which is reasonable and necessary to ensure safe travel for all uses that occurred before October 21, 1976.

(2) The scope includes the right to widen the highway as necessary to accommodate the increased travel associated with all uses that occurred before October 21, 1976, up to, where applicable, improving a highway to two lanes so travelers can safely pass each other.

(3) Unless otherwise established by formal action taken by the Board of County Commissioners, the width of these rights-of-way used for vehicular travel may not be less than the setback standards for wilderness boundaries along existing roads as described in Bureau of Land Management Manual H-8560-1, Management of Designated Wilderness Areas, dated July 27, 1988, as follows:

(a) high standard paved highways shall be 300 feet from the centerline;

(b) high standard logging roads shall be 100 feet from the centerline;

(c) low standard logging, jeep, maintenance, dirt roads used for right-of-way, or similar roads shall be 30 feet from the centerline.

200.050 PUBLIC COMMENT.

(1) It is in the best interest of Klamath County and the public that facts and legal issues relevant to Klamath County's management of its rights-of-way be raised in a timely manner and it is a fundamental principle of due process and fairness that any person having knowledge relevant to such facts or issues bring them to the attention of the County.

(2) Inclusion of any proposed action on the agenda for a duly called public meeting of the Board of County Commissioners shall be deemed notice to the public for all purposes under this Ordinance.

(3) Any factual or legal issue not brought to the attention of Klamath County by presentation at the public meeting where action is proposed or authorized to be taken or by written comments filed within five (5) days of said meeting shall be deemed waived by any party in later proceedings, whether in a court of law or otherwise.

No action may be brought against Klamath County, its officers or employees for damage suffered by a person solely as a result of the unmaintained condition of a public right-of-way.

200.060 SEVERABILITY. The provisions of this Ordinance are severable, and any invalid section, subsection, sentence, clause, phrase or portion of this Ordinance if for any reason is held invalid or unconstitutional in a court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision and shall not effect the validity of the remaining portions of the Ordinance.

Chapter 459 and rules and regulations promulgated thereunder and has insurance equal to that required by KCC 400.420, and such other additional insurance as may be required by the Board, particularly with respect to the public liability for fire originating upon the premises. Land shall be by deed or by lease agreement as approved by the Board;

(b) Has good moral character, or if the applicant is a firm or corporation, that the principal partners or officers are of good moral character;

(c) Has sufficient experience in properly providing such service to insure compliance with this Chapter and any regulations promulgated thereunder. In determining the amount of bond to be required, the Board shall give due consideration to the size of the sites, the method of disposal proposed, the population to be served, adjacent or nearby land uses and the potential danger of failure of service; and

(d) Where the applicant is providing disposal service on the effective date of this Chapter, and has filed his/her application within thirty (30) days thereafter, he/she may continue service until the final decision of the Board on his/her application.

400.450 Issuance of Disposal Franchises.

(1) Applications for disposal franchises shall be reviewed by the Director and the Klamath County Planning Commission who shall make such investigation as they deem appropriate. Written notice shall be given by the Director to any known person who holds a disposal franchise for service to all or part of the area that reasonably would be served under the application.

(2) Upon the basis of the application, evidence submitted and results of any investigation, the Board shall make a finding

on the qualifications of the applicant and whether or not additional service, land, equipment, and/or facilities should be provided and what conditions of service should be imposed including, but not limited to, whether the site should be opened to the public and under what conditions, whether or not certain types of wastes, solid wastes or hazardous wastes should be excluded from the site or should be required to be accepted at the site, and shall make a finding as to whether or not the site is economically feasible, whether or not the site may be integrated with existing private or County owned or operated sites and further, that the site complies with all rules and regulations adopted pursuant to O.R.S. Chapter 459 or this Chapter.

(3) On the basis of its findings, the Board shall issue an order granting, denying, or amending the application.

(4) These provisions are in addition to and not in lieu of any provisions of the Klamath County Building or Zoning Ordinances as may be in effect at the time of granting an application.

400.460 Appeal on a Franchise.

(1) If the order of the Board is adverse to the applicant or to the holder of an existing franchise, it shall not become effective until thirty (30) days after the date of said order unless the Board finds that there is an immediate and serious danger to the public or that a health hazard or public nuisance would be created by a delay.

(2) The applicant or a franchise holder may request a hearing before the Board upon the Board's Order by filing a written request for the hearing with the Board within thirty (30) days after the date of said Order. On the filing of such request for hearing, the Board shall set a time and place for hearing upon its Order, which hearing shall be not more than thirty (30) days from the date of said request for hearing. The applicant or franchise holder may submit relevant evidence to the Board upon the Board's Order. Other interested persons or affected public or private agencies may appear and offer oral or written testimony. The Board may, following the hearing, affirm, modify or rescind its prior Order.

(3) Subject to provisions of KCC 400.990, the determination of the Board after conclusion of said hearing shall be final.

(4) If the Board makes a final order rejecting all or part of the application for a franchise, the applicant may not submit another application for the same service area or a portion thereof within a one-year period from the date of rejection unless the Board finds that the public interest requires reconsideration within a shorter period of time.

400.480 Exclusive or Joint Service under a Franchise.

(1) If the Board finds that an applicant for a collection franchise cannot provide service to a single customer, a group or type of customer, or for a particular type or unusually large quantity of solid waste, it may issue a franchise for joint service with another person who can provide that service; provided, however, that in all cases where the Board finds that

the applicant is able to provide adequate service within the defined service area, it may issue an exclusive franchise for that area to the applicant.

(2) If the holder of a franchise is unable to provide service for particular types or unusually large quantities of solid wastes, the Board may issue a temporary or permanent franchise to another person for the limited purpose of providing service to the customer or customers having such particular type or unusually large quantity of solid wastes.

(3) Upon recommendation of the Director, if the Board finds that the need for service justifies action before a complete investigation and final determination can be made, it may order the Director to issue a temporary certificate, valid for a stated period not to exceed six (6) months entitling a person to serve a defined service area or customers.

400.490 Transfer of Franchises.

(1) A franchise holder may upon written application, transfer his/her franchise or a portion thereof, to other persons only upon written approval by the Board.

(2) The Board shall approve the transfer if it finds that the transferee meets all applicable requirements met by the original franchise holder. The Board shall approve or disapprove any application for transfer of a franchise within thirty (30) days unless the Board finds there is a substantial question of public health or safety involved which requires additional time for investigation and decision.

(3) Upon written application the Board may permit a franchise to be pledged as security for purchase of land, equipment or facilities needed to provide service or to finance purchase of a business providing service under this Ordinance; however, the Board shall in so doing, assume no obligation nor shall such action on the part of the Board constitute a waiver of its rights to revoke a franchise.

400.500 Responsibilities of Franchise Holders.

(1) The holder of a collection franchise shall:

(a) Provide required service, equipment and facilities within one (1) month from the date of issuance of the franchise unless the Board extends the time upon showing of reasonable grounds by the applicant. Where an area is not receiving service on the date of the application for a franchise covering such area, the Board may order that service be provided at such time as it finds to be reasonable;

(b) Not voluntarily discontinue service thereof or any customer without giving ninety (90) days written notice of the proposed discontinuance of service to the Director and to the customers and shall not discontinue the service without receiving the written approval of the Board.

(c) Not contract with another person to provide service within a service area unless written approval of the Board is first obtained. The Board shall approve the

contract unless it finds that the quality or extent of service would be jeopardized or that the person seeking to provide the service pursuant to such contract is not qualified in all respects under this Chapter and all other applicable laws;

(d) Not refuse service to existing or potential customers except upon reasonable grounds where, confirmed by the Director, service at the particular location would jeopardize the safety of the driver of the collection vehicle other persons or person working in association with the driver upon the collection vehicle, or the motoring public, the customer has not provided reasonable access to the pickup point for the containers storing solid wastes without hazard or risk to the person providing service, or weather condition prevent service to the particular customer, or where the customer refuses to package such waste in accordance with requirements of the franchise.

(2) Nothing in this Section shall prohibit a franchise from refusing to provide service to a customer if the customer refuses to pay for the service in accordance with rates established pursuant to this Ordinance or for other reasons as may be established by the Board by regulation; provided, however, in no event shall the holder of any franchise terminate such service without seven (7) days prior written notice notifying the customers and the Director of the holder's intention to terminate service. This paragraph shall not apply to any order for closure or restriction of use by any public agency, public body or court having jurisdiction.

(b) Not contract with another person to operate the disposal site unless written approval of the Board is first obtained. (c) Refuse disposal service to any customer if the customer refuses to pay for the service in accordance with the rates established pursuant to this Chapter. A franchise holder who has discontinued service for refusal of a customer to pay for such service may demand that the customer provide

a reasonable deposit in advance to guarantee payment for future service prior to reinstating such service.

(d) Not refuse service to any customer or prospective customer who has complied with all requirements of the franchise.

400.550 Enforcement of Franchise Provisions. The Director shall, upon reasonable cause, make an investigation to determine if there is sufficient reason and cause to suspend, modify, revoke or refuse to renew a franchise as provided in this Section. If, in the opinion of the Director, there is sufficient evidence to constitute a violation of this Chapter, or O.R.S. Chapter 459 or the rules or regulations promulgated under either, the Director shall notify the holder of the franchise in writing of the alleged violation and what steps must be taken to cure the violation and follow the requirements of the Director set forth in said notice. The Director shall notify the Board of such violation also.

400.560 Suspension, Modification, Revocation or Refusal to Renew a Franchise.

(1) The Board may suspend, modify, revoke or refuse to renew a franchise upon finding that the holder thereof has:

(a) Willfully violated this Chapter or O.R.S. Chapter 459 or the rules or regulations promulgated thereunder; or

(b) Materially misrepresented facts or information given in the application for the franchise; or

(c) Willfully refused to provide adequate service in a defined service area or at the franchised disposal site after written notification and an opportunity to do so; or

(d) Misrepresented the gross receipts from the franchised service area or, if required to report on such receipts, the gross receipts from operation of a franchised disposal site.

(2) In lieu of immediate suspension, modification, revocation or refusal to renew a franchise, the Board may order compliance and make the suspension, modification, revocation or refusal to renew a franchise contingent upon compliance with the order within the period of time stated in said order.

(3) If the Board suspends, modifies, revokes or refuses to renew the franchise, the action shall not become effective until thirty (30) days after the date of the Order unless the Board finds that there is a serious and immediate danger to the public health or that a public nuisance would be created. The holder of a franchise may request a hearing before the Board upon the Board's order by filing a written request for such hearing with the Board within thirty (30) days after the date of said order. Upon the filing of such request for hearing, the Board shall set a time and place for a hearing and upon its Order, which hearing shall be not more than thirty (30) days from the date of filing said request for hearing. The franchise holder and other interested persons or affected public agencies may submit oral or written evidence to the Board relevant to the Board's Order.

Subject to provisions of KCC 400.990, the determination of the Board after conclusion of said hearing, shall be final.

400.570 Preventing Interruption of Service. The holder of any franchise agrees, and it is a condition of his/her obtaining and holding the franchise, that whenever the Board finds that the failure of service would result in creation of health hazards or public or private nuisance, the Board shall, after reasonable notice but not less than twenty-four (24) hours notice to the franchisee and a hearing if the franchisee requests such a hearing, have the right to authorize another franchise holder or other person to provide service or to use and operate the land, facilities or equipment of the franchise holder through leasing to provide emergency service in the event of a serious interruption of service to all or to a class or group of customers for so long as such interruption continues.

400.600 Term of Franchises.

(1) Franchises shall be renewable unless grounds exist for refusal to renew pursuant to KCC 400.550.

(2) The term for collection franchises shall be five (5) years unless the Board finds that a longer or shorter term is required in the public interest.

(3) The term for disposal franchises shall be determined by the Board upon the basis of the recommendation of the Director based on site longevity, immediate and projected population to be served, and probable use.

400.610 Franchise Fees.

(1) The Board shall collect, in the manner and at the time provided in this Section, from the holder of:

(a) Any collection franchise, an annual fee of five percent (5%) of the gross service charges for collection service provided to the service area included in the franchise;

(b) Any disposal franchise, an annual fee of \$10.00 per acre of the disposal site up to ten (10) acres and \$5.00 for each acre in excess of ten (10) acres;

(c) A disposal franchise may be granted for use and maintenance of County owned disposal site upon negotiation of a fee satisfactory to the Board.

(2) The franchise fee shall be computed on a calendar month basis and shall be due and payable not later than the fifteenth (15th) day of the next month by the franchise holder. There will be a one percent (1%) per day penalty for each day of delay in payment. For example, if the franchise fee for services provided in January is not paid until February 20th, there will be a 5% penalty due in addition to the franchise fee. The penalty may be waived by the Board.

(3) Every collection franchise holder shall maintain books and records disclosing the gross service charges from his/her service area, which books and records shall be open for audit by authorized personnel of Klamath County upon demand by the Board.

Where reasonably required by the Board, the holder of a disposal site franchise shall maintain books and records disclosing gross service charges at the disposal site which books and records shall likewise be available for audit.

400.630 Rates and Charges for Collection and Disposal Service.

(1) The Board may approve existing rates filed by applicants for franchises if it finds that such rates are not unreasonable and are not substantially higher than those charged generally in the County under similar service requirements and for the same or similar quality of service or it may establish a different rate schedule. In determining whether rates are reasonable under this subsection, the Board shall give due consideration to the rate guidelines established by this Section;

(2) The Board may establish uniform rates throughout the County, or may establish uniform rates within zones based upon the length of haul or other factors which may in the opinion of the Board, justify establishment of rate differentials;

(3) When establishing rates for disposal sites, in addition to other factors specified in this Section, the Board shall consider the type of site, the cost of operation of such site, whether or not the site is open to the public, the type of waste to be disposed of and cost of compliance with federal, state and local laws and regulations together with such other factors which may, in the opinion of the Board, affect the rates to be charged. The Board may establish uniform rates for all disposal sites or may establish different rates based upon the factors specified in this Section;

(4) Increases or decreases in rates approved under this Section shall not be made by the Board unless the Board finds that the increase or decrease is based upon increase in the cost of doing business or an increased cost of additional, better or more comprehensive service;

(5) In determination of rates or proposed rate changes, the Board may give due consideration to:

- (a) The investment in facilities and equipment;
- (b) The service of management, local wage scales, concentration of customers in the area serviced, methods of storage, collection, transportation and disposal;
- (c) The length of haul to disposal facilities;

(i) Extra charges for providing janitorial services on the premises where service is provided.

(6) The Board may require an investigation by the Director of any proposed rate or rate increase or decrease. For the purpose of making this investigation, the Director is authorized to take and receive evidence and obtain other pertinent data relevant to the considerations to be made by the Board in establishing a rate or in allowing or denying the rate increases or decreases under this Chapter. Upon completion of his/her investigation, the Director shall make a report of findings and shall make recommendations to the Board regarding the proposed rate.

(7) In establishing rates or in considering rate increases or decreases, the Board must find that the rates will be just, fair, reasonable and sufficient to provide proper service to the public. The Board may consider the rates charged by other persons performing the same or similar service in the same or other areas.

(8) Where no rate has been established for a particular type of service, the Director may establish an interim rate until the Board makes a final determination on the rate for that type of service. In establishing such a rate, the Director shall give due consideration to all of the factors established as guidelines for the Board in this Section.

400.640 Rate Preferences Prohibited.

(1) No franchise holder subject to rate regulations under this Chapter shall give any rate preference to any person, locality, or type of solid waste stored, collected, transported or disposed;

(2) Nothing in this Section is intended to prevent:

(a) The reasonable establishment of uniform classes of rates based upon length of haul, type of solid waste stored, collected, transported or disposed of or the number, type and location of customers served or upon other factors as long as such rates are reasonably based upon costs of the particular service and are approved by the Board in the same manner as other rates; and

(b) Any person from volunteering service at reduced costs for a charitable, community, civic or benevolent purpose.

401.110 Inspections.

(1) Whenever necessary to make an inspection to enforce any of the provisions of this code, or whenever the Chief Administrative Officer or his/her authorized representative has

reasonable cause to believe that there exists in any building or upon any premises any condition or code violation which makes such building or premises unsafe, dangerous or hazardous, the building official or his/her authorized representative may enter such building or premises at all reasonable times to inspect the same or to perform any duty imposed upon the building official by this code, provided that if such building or premises be occupied, he/she shall first present proper credentials and request entry; and if such building or premises be unoccupied, he/she shall first make a reasonable effort to locate the owner or other persons having charge or control of the building or premises and request entry. If such entry is refused, the building official or his/her authorized representative shall have recourse to every remedy provided by law to secure entry.

(2) Where an emergency exists, the Klamath County Chief Administrative Officer may enter any property or building at any reasonable time where has reasonable cause to believe that a nuisance constitutes an immediate and active danger to the public health, safety, and welfare.

(3) An investigation shall be conducted by the Chief Administrative Officer or other authorized officer:

(a) Upon receiving a written nuisance complaint specifying the name of the owner or name of the person in charge of property, location of the property and the nature of the nuisance involved.

(b) Whenever it appears there is reasonable cause to believe that a nuisance exists.

(4) The Chief Administrative Officer may order immediate abatement if he/she finds that the existence of the nuisance poses an extreme hazard to the public health, safety and welfare.

401.130 Emergency Abatement.

(1) The Chief Administrative Officer may declare that an emergency exists where the County Health Officer/Public Health Administrator has reasonable cause to believe that a nuisance constitutes an immediate and active danger to public health, safety and welfare.

(2) In an emergency, the County Health Officer/Public Health Administrator or the Chief Administrative Officer may proceed with an immediate abatement of the nuisance if the owner or person in charge of the property is unwilling or unable to carry out the necessary action in a reasonable period of time under the circumstances, or cannot be located after diligent inquiry. The Chief Administrative Officer or the County Health Officer/Public Health Administrator shall forthwith thereunder send or serve written notice of abatement to the owner of the property. This notice shall be served upon the person and shall advise him that he/she may within ten (10) days from the date of service upon him request a hearing before the Board of County Commissioners. The request for hearing shall include the mailing address of the owner.

(3) Upon the receipt of the request for hearing, the Chief Administrative Officer shall promptly notify the Board of County

Commissioners and they shall set a time and place for hearing at the earliest possible time and shall promptly notify the person requesting the hearing as to the time and place of the hearing, by certified mail, return receipt requested, to the last known mailing address. Notice may also be given to such persons as the Board may believe to be interested persons.

(4) The person or persons requesting the hearing and the Chief Administrative Officer may subpoena witnesses, submit testimony, give argument, cross-examine witnesses, and submit rebuttal evidence on any pertinent issue. Any party may be represented by counsel.

(5) Failure of the person requesting the hearing to appear at the hearing shall constitute a waiver of the right to hearing.

(6) The Chief Administrative Officer shall cause all hearings to be recorded in a manner which will allow for the written transcription thereof and all material submitted at the hearing shall be retained by the Board for a period of two (2) years from the date of Order.

(7) Within ten (10) days following the hearing, the Board shall prepare an Order specifying the facts found to exist.

(8) If the Board determines that a nuisance no longer exists, it can order the return of any property removed by the Chief Administrative Officer upon such condition as the Board may prescribe which will eliminate the nuisance. The person requesting the hearing may claim it upon paying the expense incurred in its removal or storage. The Board may also direct the filing of a civil abatement action or specify steps the owner can take to prevent such action. No other issues shall be determined at said hearing.

(9) Review of any action of the Board taken pursuant to this Ordinance, and the rules and regulations adopted pursuant hereto, shall be taken solely and exclusively by writ of review.

401.150 Notice of Future Abatement Action. The Chief Administrative Officer or other authorized officer shall issue and serve written notice upon the owner, or the person in charge of the property prior to the filing of a civil abatement action. The notice provided herein shall describe with reasonable certainty the property, nature of the nuisance and require the person in charge of the property, or owner thereof, to abate the nuisance within the time specified in the notice or to sign a voluntary compliance with all the specifications of the notice within the time set forth in the notice. In the event it can be reasonably determined, written notice shall be served personally upon the owner, or person in charge of the property. Additionally, if the nuisance concerns the condition of real property, or improvement thereon including the existence of any noxious weeds, the notice shall be posted in a conspicuous place upon the real property or improvement. If the nuisance concerns a vehicle, the notice shall additionally be posted in a conspicuous place upon the vehicle, provided that the Chief Administrative Officer can legally obtain access to the vehicle without the necessity of securing a search warrant. If the owner or person in charge of the property cannot

be reasonably determined, the notice provided for herein shall be mailed by prepaid, certified mail, return receipt requested, to the addressee's last known address. A mailed notice shall be presumed to have been received on the fourth mail delivery day after mailing.

401.160 Form of Notices. All notices required by this Ordinance shall be of a form authorized by the County Counsel.

401.200 Civil Action to Abate Nuisance.

(1) If an owner fails to abate a nuisance within ten (10) days after the expiration of the time period set out in the Notice of Violation, the Chief Administrative Officer may cause abatement of the nuisance by civil action. This action will be filed to seek judgment in favor of the County and a Decree to Abate. After the Judgment and Decree of Abatement is issued by the court providing for abatement by the County, the Chief Administrative Officer is authorized to abate the decreed nuisance by soliciting three (3) bids from licensed contractors and awarding the abatement project to the low bidder. If, in the opinion of the Chief Administrative Officer, abatement cost will not exceed \$500.00, the bid process is not required. If the decreed nuisance is within the Urban Growth Boundary, the Nuisance Abatement Fund shall be utilized. A 25% surcharge will be added to the actual cost of abatement for administrative costs and an invoice mailed via certified mail to the person responsible. Should payment not be received for abatement cost within thirty (30) days, the Board of County Commissioners shall order the filing of a lien against the real or personal property.

(2) After the Decree of Abatement is issued by the court providing for abatement by the County, should it reasonably appear to the Chief Administrative Officer that the property removed by Klamath County is of a value to be determined periodically by the Klamath County Board of Commissioners or more, the Chief Administrative Officer shall cause an appraisal to be made of the property.

(a) In the event that the property is valued at an amount to be determined periodically by the Klamath County Board of Commissioners or less, the Chief Administrative Officer may order the disposition of the property without notice or public auction. In the event that the personal property is a vehicle, the Chief Administrative Officer shall file with the Department of Motor Vehicles an Affidavit describing the vehicle, including license plate, if any, stating the location and appraised value of the vehicle and stating it will be junked or dismantled.

(b) In the event that the property is appraised at a value to be determined periodically by the Klamath County Board of Commissioners or more, the Chief Administrative Officer shall cause notice of sale to be published in a newspaper of general circulation within the County. The notice shall state:

(i) The sale is of discarded property under this Chapter.

(ii) A description of the property (and if a vehicle, the type, make, model, year, license number and I.D. number, if available) and any other information which will aid in identification;

(iii) The terms of the sale;

(iv) The date, time and place of the sale, and that Klamath County will bid in the amount claimed against the property for abatement costs;

(v) The location of the property and where it can be inspected;

(vi) Notice shall be published two times, once not less than fifteen (15) days prior to the sale, and the second not less than five (5) days prior to the sale.

(3) Any property abated under provisions of this Ordinance may be redeemed five (5) days prior to the sale by its owner, or by the person in charge of the property by applying to the Chief Administrative Officer with:

(a) Evidence of ownership or interest therein;

(b) Payments of the costs due and owing up to the time of application for redemption for abatement;

(c) Provide sufficient evidence that the nuisance will not be allowed to be resumed.

(4) The lien as provided for in Section 401.200 (1) above shall be given priority over all liens except those for taxes and assessments and shall include interest at the legal rate.

(5) The lien provided for shall be foreclosed in the manner prescribed by state law for the enforcement of liens and collection of assessments for municipal corporations.

401.210 Civil Enforcement Procedures; Injunction; Voluntary Compliance.

(1) In addition to the abatement proceedings under KCC 401.200, the enforcement officer or his/her designee, if he or she has probable cause to believe that a person is maintaining or allowing a nuisance to exist within an unincorporated area of Klamath County, may bring suit in the name of Klamath County in the Circuit Court to restrain such person from allowing the alleged nuisance to continue.

(2) Before filing a suit under this section, the enforcement officer shall, in writing, notify the person charged with maintaining the alleged nuisance of its existence and the relief to be sought. Such notice shall be served in the manner set forth in KCC 401.150. The person charged thereupon shall have ten (10) days within which to execute and deliver to the enforcement officer or his/her designee an assurance of voluntary compliance. Such assurance shall set forth what actions, if any, the person charged intends to take with respect to the abatement of the alleged nuisance. If the enforcement officer or his/her designee is satisfied with the assurance of voluntary compliance, it may be submitted to an appropriate court for approval and, if approved, shall thereafter be filed with the clerk of the court.

The enforcement officer may reject as unsatisfactory any assurance which in his/her opinion will not abate the nuisance within a reasonable time.

(3) Violation of any of the terms of an assurance of voluntary compliance which has been approved by and filed with the Court may constitute a contempt of court upon cause being shown therefore.

(4) If the enforcement officer or his/her designee alleges that he or she has reason to believe that the delay caused by complying with the provisions of this Ordinance would cause immediate harm to the public health, safety or welfare, enforcement officer or his/her designee may immediately institute a suit under this section.

(5) A temporary restraining order may be granted without prior notice (under the provisions of ORCP) to the person if the court finds there is a threat of immediate harm to the public health, safety or welfare. Such a temporary restraining order shall expire by its terms within such time after entry, not to exceed ten (10) days, as the court fixes, unless, within the time so fixed, the order for good cause shown is extended for a like period or unless the person restrained consents that it may be extended for a longer period.

(6) Any person who willfully violates the terms of an injunction issued under this section shall be punished pursuant to O.R.S. 33.015, *et seq.* For purposes of this section, the court issuing the injunction shall retain jurisdiction and the cause shall be continued and in such cases the enforcement officer acting in the name of the County may petition for enforcement of the decree.

(7) Any person who willfully violates any provision of an assurance of voluntary compliance approved and filed with an appropriate court under this section shall forfeit and pay to the County a civil penalty to be set by the court of not more than \$720 per violation, in addition to being subject to the provisions of O.R.S. 33.015, *et seq.* The enforcement officer may apply to the appropriate court for recovery of such civil penalty and other enforcement.

(8) The court may continue a hearing on contempt for a fixed or indefinite basis should it appear to the satisfaction of the court that the party is making reasonable progress in abating the nuisance per the court's original decree.

(9) The remedies provided in this section are in addition to all other remedies provided by this Chapter.

401.300 Receiver. In any proceeding commenced under this Chapter the County shall, upon application to the court and notice to all parties, be entitled to the appointment of a receiver, either before or after judgment, if it is established that the appointment is necessary to fulfill the purpose and intent of this Chapter. Such appointment shall be in addition to all other remedies available to the County.

401.310 Penalties. Any person, firm, corporation or other entity who has been found to have violated any of the provisions of this Chapter shall be subject to a fine not exceeding \$720; however, each and every day any violation is committed, continued or permitted by any such person, is a separate violation subject to a separate fine of \$720. County Counsel shall not appear unless Defendant is represented by an attorney. Defense counsel shall not be provided at public expense. Circuit Court or Justice Court shall have concurrent jurisdiction over violations of this Code. Imposition and collection of the money penalty shall be a civil judgment enforceable in any manner permitted by law including assignment to a private collections company.

(4) No person shall store more than 100 waste tires without a DEQ permit unless exempt from the permit requirement established by ORS Chapter 459.

401.440 Schedule of Compliance. These provisions shall be effective and shall be complied with upon passage of this Chapter for any tire not stored at the time of passage of this Chapter. For tires that were stored on the date of passage of this Chapter the following schedule of compliance shall govern the removal of such tires:

(1) Any individual or business not in compliance with the terms of this Chapter shall notify the Fire District responsible for fire protection for that individual or business, or if the property is unprotected, then notification shall be given to the Klamath County Code Enforcement Officer, that such individual or business is not in compliance with the provisions of this Chapter.

(2) Within ninety (90) days of the date of passage of this Chapter, any individual or business not in compliance with this Chapter shall reduce the number of tires not in compliance by 50% of that amount present upon passage of this Chapter.

(3) Within 150 days of the date of passage of this Chapter, such individuals or business shall reduce the number of tires not in compliance to 25% of that amount present upon passage of this Chapter.

401.470 Exemptions. Any Fire District, for property within its boundaries, or the Klamath County Building Official, may grant a permit to any business involved in the disposal of waste or used tires to exceed the limits provided by this Chapter. Nothing in this Chapter shall be deemed to limit or constrain the storage or disposal of used or waste tires by Klamath County in any facility operated or permitted by Klamath County for the disposal of such tires.

NOXIOUS WEED CONTROL

401.500 Noxious Weeds. The Board of County Commissioners may declare the County or any portion of the County a weed control district for the purpose of destroying and preventing the seeding and spread of noxious weeds **as defined in ORS 570.510 to 570.575.**

401.510 Administration and Duties for Enforcement of Noxious Weed Provisions.

(1) The Board of County Commissioners shall appoint a Weed Control Supervisor who shall be responsible for the administration and enforcement of noxious weed control.

(2) In the discretion of the Weed Control Supervisor he/she may:

(a) find out if any noxious weeds or plants are being permitted to grow and produce bloom or seed within a weed control district;

(b) serve notices;

(c) When necessary, to destroy or cut or to supervise the destruction or cutting of noxious weeds growing or seeding within the weed control district;

(d) Issue Uniform Civil Violation citations in accordance with KCC Chapter 800 for violations of Klamath County Code Section 401.530.

401.520 Notice of Future Abatement Action.

(1) The Weed Control supervisor shall have access to the land within the weed control district.

(2) When the provisions of the Oregon State Statutes and this code are not being complied with, the Weed Control Supervisor shall serve a written notice to the owner or occupant of the land. When unable to serve such notice personally, the Weed Control Supervisor or his/her designee shall post the notice and two copies thereof in three (3) conspicuous places on the land. Such notice shall contain:

(a) The date of service or posting of notice.

(b) The name of the weed or weeds growing on such land, and a statement setting forth that such weeds must be destroyed or must be prevented from producing seed within a specified time of not less than two (2) days or more than twenty (20) days, to be established by the Weed Control Supervisor, from the date of service of such notice.

(c) The service of such notice as provided in this section shall have the effect to require the owner or occupant of such land to destroy or prevent such weeds from seeding or spreading during the continuation of ownership or occupancy of the land or until the land is no longer part of a weed control district. A copy of such notice together with proof of service endorsed thereon, shall be filed with the Board of County Commissioners.

401.530 Owner or Occupant to Destroy Weeds.

(1) Each person, firm or corporation owning or occupying land within a weed control district shall destroy or prevent the seeding on such land of any noxious weeds by the use of the best means at hand and within the time required in the notice served under the provisions of KCC 401.520 (2), except that no noxious weed shall be permitted to produce seed.

(2) The State Highway Commission, Klamath County, Reclamation Districts and cities shall destroy or prevent the spread or seeding of any noxious weed on any land owned by them or constituting the right-of-way for any highway, county road, drainage or irrigation ditch, power or transmission line or other purposes under their respective jurisdictions.

401.540 Eradication of Weeds When Owner or Occupant Refuses to do so.

(1) If the owner or occupant of the land fails or refuses to immediately destroy or cut the noxious weed, the Weed Control Supervisor shall at once issue a Uniform Civil Violation Citation in accordance with KCC Chapter 800 for violation of KCC Section 401.530 or notify the District Attorney of the County who shall at once take necessary steps for enforcement of this code. The County Commissioners shall authorize the Weed Control Supervisor or such assistants as the Weed Control Supervisor may employ to go upon the land or premises and destroy the noxious weeds or control them in such manner as will destroy all seeds of such noxious weeds. In all cases where the Weed Control Supervisor undertakes to destroy or control noxious weeds, the most effective and practical method, in the judgment of the Weed Control Supervisor, and with least injury to the land or crops, may be used.

(2) Upon completion of such work the Weed Control Supervisor shall file with the County Clerk an itemized statement of the expenses necessarily incurred in the destruction of such weeds, verified by the oath of the Weed Control Supervisor.

(3) When the statement of expenses is filed, the County Clerk shall cause it to be entered upon a lien docket prepared for that purpose. The amount of the charges and expenses when so docketed shall constitute a first lien upon such lands or premises, except those for taxes and assessments and shall include interest at the legal rate.

(4) The lien provided for shall be foreclosed in the manner prescribed by state law for the enforcement of liens and collections of assessments for municipal corporations.

401.560 Severability. The provisions of this Ordinance are severable, and any invalid section, subsection, sentence, clause, phrase or portion of this Ordinance if for any reason is held invalid or unconstitutional in a court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision and shall not affect the validity of the remaining portions of the Ordinance.

CHAPTER 403
ANIMAL SERVICES AND DOG CONTROL

GENERAL PROVISIONS

403.001 Purpose. To protect the health, safety, and welfare of the residents and citizens of Klamath County and to provide for control of dogs and the protection of animals; to prohibit tampering with law enforcement animals; to provide guidelines and information, and to give authority for enforcement and setting fees.

403.002 Scope. This ordinance does not limit nor supersede any provision established in O.R.S. 609.010 through O.R.S. 609.190, or in any other O.R.S. or O.A.R. dealing with animals, but does supplement those provisions. A dog in the performance of law enforcement duties shall not be considered a dangerous dog or a public nuisance.

403.003 Powers and Authority.

(1) The Animal Control Officer or his/her assistants, Code Enforcement Officers, the Sheriff, the Local Health Officer or their designees are required and shall have full power and authority to do any and all things necessary, incidental or proper, within the scope of their department's authority, in the enforcement of this Chapter, Oregon Revised Statutes, and Oregon Administrative Rules relating to animal control within the County.

(2) The Animal Control Office shall be the County office cognizant of state and county agency jurisdictions regarding animal issues and where appropriate, they shall provide coordination, referral and assistance to the public, other agencies and departments.

(3) No person shall hinder or attempt to prevent the enforcement of this Chapter.

(4) The power and authority of the Animal Control Officer and his/her assistants, Code Enforcement Officers or the Local Health Officer or their designee shall include the power to cite violators for court appearances pursuant to the criminal statutes governing the abuse and/or neglect of animals; ORS 167.315 to 167.333, 167.340, 167.355, 167.365 or 167.428 and the criminal statutes governing dangerous dogs, including but not limited to ORS 609.001 - 609.994. This authority shall not include the power to engage in the physical arrest of violators.

403.005 Definitions.

(1) "**Abandonment**" means leaving an animal at a location without providing for the animal's continued care.

(2) "**Abuse**" means inflicting or causing physical injury to an animal.

(3) "**Adequate Care**" means the provision of adequate food, adequate water, adequate shelter, adequate sanitary conditions,

adequate exercise and keeping the animal in a state of good health.

(4) **"Adequate Food"** means the provision at suitable intervals, not to exceed 24 hours, of a quality of wholesome foodstuff suitable for the species and age, sufficient to maintain a reasonable level of nutrition in each animal to allow for proper growth and weight. Such foodstuff shall be served in a receptacle, dish, or container that is physically clean and in which agents injurious to health have been removed or destroyed to a practical minimum.

(5) **"Adequate Sanitary Conditions"** means a space free from health hazards including excessive animal waste, inappropriate ventilation of air, overcrowding of animals, or other conditions that endanger the animal's health.

(6) **"Adequate Shelter"** means, for an animal other than a dog engaged in herding or protecting livestock, shelter which will keep an animal dry, out of the direct path of winds, sufficiently insulated and ventilated, and out of direct sun, at a temperature level that is healthful for the animal. The shelter shall be windproof and moisture proof. The structure shall be of suitable size to accommodate the breed and size of the animal and allow retention of body heat. The structure must include four walls, a roof and a solid floor raised up off the ground, with an opening entrance large enough to allow access to the animal, but placed in such a way as to keep the animal out of the direct path of winds.

Metal barrels do not provide adequate shelter for a dog, or other animals and are prohibited for that purpose. The structure shall be provided with sufficient quality of suitable bedding material such as hay, straw, cedar shavings, or the equivalent. For all animals, the containment area shall be free of accumulated waste and debris so that the animal shall be free to walk or lie down without coming in contact with any waste or debris, and a suitable method of draining shall be provided to rapidly eliminate excess water or moisture.

(7) **"Adequate Water"** means a constant access to supply of clean, fresh water provided in a sanitary manner that is suitable for the age and species of the animal unless otherwise directed by a veterinarian licensed to practice veterinary medicine.

Other species of animals, whether wild or domestic, trained or untrained, are not assistance dogs for the purposes of this definition. The work or tasks include, but are not limited to, assisting individuals who are blind, alerting people who are deaf, pulling a wheelchair, assisting an individual during a seizure, reminding a person with mental illness to take prescribed medications, calming a person with Post Traumatic Stress Disorder (PTSD) during an anxiety attack. Assistance dogs are working animals, not pets. The work or task a dog has been trained to provide must be directly related

(18) "**Keeper**" means a person who owns, possesses, controls or otherwise has charge of a dog, with the exception of veterinary hospitals, humane societies, and commercial animal care facilities. According to O.R.S. 609.020, dogs are personal property. For the purpose of this Chapter, the owner or the keeper is responsible for licensing and also for the behavior of the dog regardless of whoever failed to prevent the dog to engage in the behavior that is the subject of the County Violation. restrictions imposed under ORS 609.990 or if a keeper fails to provide acceptable proof of compliance to the court on or before the 10th day after issuance of the order imposing the restrictions. If the court finds the proof submitted by the keeper unacceptable, the court shall send notice of that finding to the keeper no later than five days after the proof is received.

- (k) Any person who has cause to believe a keeper is maintaining a dog that is a public nuisance may complain, either orally or in writing, to the county. The receipt of any complaint is sufficient cause for the county to investigate the matter and determine whether the keeper of the dog is in violation of this section.

(27) **"Reasonable Restrictions"** may include, but is not limited to, being required to have a dog micro-chipped and/or sterilized.

(28) **"Running at Large"** means that a dog is off or outside of the premises from which the keeper of the dog may lawfully exclude others, or is not in the company of and under the control of its keeper, except if the dog is:

403.006 Animals in Parked Vehicles. No person or keeper shall leave an animal in any standing or parked vehicle in such a way as to endanger the animal's health, safety or welfare. After making a reasonable effort to locate the owner or keeper of the

animal, an Animal Control Officer or Police Officer is authorized to use reasonable force to remove the animal from the vehicle whenever it appears that exigent circumstances exist that the animal is in imminent danger. This includes animals secured in vehicles impounded by law enforcement agencies if the animal is released by the impoundment agency.

403.007 Report of Animal Bites and Quarantine.

(1) In accordance with O.R.S. Chapter 433, any person having direct knowledge of a bite by any animal that causes a break in the skin of any human shall immediately report the facts to the Local Health Officer.

(2) The Local Health Officer will promptly contact the appropriate agency with authority to impound and quarantine the animal pursuant to the rules and regulations of the State Health Division. Impoundment and quarantine shall be:

- (a) By a private veterinarian;

- (c) At the designated County contracted animal care facility; or
- (d) At a location or facility designated by the Local Health Officer.

(3) The keeper of any such animal shall be responsible for all costs and expenses incurred for such impoundment and quarantine. If impound and quarantine is at a county operated or contracted facility, all impoundment and quarantine fees must be paid before the animal will be returned or surrendered to the owner or keeper.

(4) Owners not wishing the return of their animal after the impound and quarantine period may arrange for the animal to be humanely destroyed upon expressed consent of the Local Health Officer. Owners or keepers choosing this option are still responsible for all impound, quarantine and other associated costs.

403.008 Public Nuisance.

(1) A dog or other domestic animal is a public nuisance as defined by 403.005 (26) of this Chapter. It is a violation for a keeper to maintain a dog or other domestic animal that is a public nuisance.

(2) When livestock is a nuisance, the issue shall be resolved civilly between the complainant and the livestock owner in accordance with ORS Chapters 607 and 608.

DOG REGULATIONS AND VIOLATIONS

403.100 Animal Control Officer. The Board of County Commissioners shall appoint the Animal Control Officer whose salary shall be fixed by the Klamath County Board of Commissioners. The Animal Control Officer is responsible for efficiently managing all aspects of the Animal Control Department and shall report to the Board of County Commissioners. The Animal

Control Officer may hire such assistants and officers as may be necessary for the efficient handling of Animal Control functions and duties, as outlined in this Chapter and in the Animal Control Policies and Procedure Manual.

403.101 Rabies Vaccination.

(1) All dogs over six months of age or which have a set of permanent canine teeth, whichever comes first, must be inoculated against rabies and must thereafter remain current on rabies vaccinations.

(2) Veterinarians shall provide to the Animal Control Office copies of any rabies vaccination certificates within thirty (30) days of such vaccination.

403.102 Dog Licenses.

(1) Every keeper of a dog which is over six months old, has received a rabies vaccination, or which has a set of permanent canine teeth, whichever comes first, shall, within thirty (30) days after he/she becomes keeper of the dog, procure from the County a license for the dog by paying to the County a license fee.

(2) A Humane Society holding dogs for adoption is not required to license dogs, but is required to advise those adopting a dog, in writing, that they must license the dog within eight (8) days from the date of adoption. Humane Societies shall provide to the Animal Control Office the names and addresses of those adopting dogs within eight (8) days of such adoption. All dog owners must provide Animal Control with current address information. Failure to do so is a violation of this Chapter.

(3) Licenses shall only be issued for dogs that have been inoculated against rabies as shown by a current rabies inoculation certificate.

(4) Persons with dog(s) not qualifying for a kennel rate license or other special license as may be established by the Board of County Commissioners, shall license their dog(s) with a standard dog license as set forth in this Chapter.

(5) No license fee shall be required to be paid for any assistance dog. The keeper shall not be asked about the disability or be required to present medical documentation, require a special identification card or training documentation for the dog, or ask that the dog demonstrate its ability to perform the work or task. Unless it is readily apparent that the animal performs or is being trained to perform work or a task for the benefit of a person, Klamath County Animal Control Officer may only ask whether an animal is required due to a disability and ask about the nature of the work or task that an animal is trained to do or perform. A license shall be issued for such animal and shall include designation as an "Assistance Dog".

(6) Any dog that has been determined to be dangerous by a Judge or Justice of the Peace, shall be properly licensed and vaccinated. The designation of dangerous shall be included in the licensing records of the dog. The Animal Control Officer shall charge an additional fee in addition to the regular licensing fee

charged by Klamath County for a license following designation as a dangerous dog. Dangerous dogs must be controlled and confined as outlined in 403.200 of this Chapter. The confinement area is subject to inspection by Dog Control.

(7) If a dangerous dog dies, is sold, transferred, or is permanently removed from Klamath County, the owner shall notify the Animal Control Office in writing within two (2) working days.

(8) Kenneled Rate Licenses.

(a) Dogs kept primarily in a kennel and not allowed to run at large may qualify, upon making the showing required in this Chapter, to be licensed at the kenneled fee rate. A person requesting licensing at the kenneled rate shall establish by affidavit or signed statement that:

(i) if the keeper has five or more kenneled dogs, the keeper has complied with applicable land use laws and ordinances;

(ii) the keeper houses his or her dog(s) primarily in a kennel, as defined in the Application for Kenneled Dog License;

(iii) the keeper has not been convicted of animal abuse and/or neglect under County or state laws for failure to maintain adequate and minimum care standards; and

(iv) the keeper has not been convicted under County or state law for allowing his or her dogs to be at large.

(b) Any keeper that violates 403.412, Adequate Care, or 403.413, Cruelty to Animals, of this Chapter or that has been convicted of animal abuse and/or neglect under state or County law by virtue of the conditions under which dogs are kept in the keeper's kennel shall not be entitled to be licensed at the kenneled rate.

(c) Any keeper convicted of a dog at large violation more than twice, while having dogs licensed at the kenneled rate, shall thereafter not be entitled to license his or her dogs at the kenneled rate.

(d) The dog keeper applying for a kenneled rate license shall upon request grant permission to visit the premises at reasonable times to such County representatives as are necessary to verify that the qualifications set forth in the application are met and to conduct periodical inspections to ensure that adequate care standards are being met. An annual inspection fee may be required for a kenneled rate license.

(e) If County representatives, when verifying the qualifications set forth in the application and conducting periodical inspections, are refused access to the dogs or kennels, the keeper shall automatically be denied the ability to license any dogs at the kenneled rate and any existing kennel rate license will be revoked.

403.103 License Tag. The keeper shall keep the license tag fastened to a collar that shall be kept on the dog at all times. A tag may not be placed on a dog, which has not been issued for that dog.

403.104 Dog Waste. The keeper of a dog shall be responsible for immediately removing fecal or other visible solid waste of the keeper's dog from property other than the keeper's.

403.105 Control and Leashes.

(1) It is a violation of this Chapter to allow a dog to run at large. Once a dog leaves the keeper's property and is on public property or right of way, the dog must be kept under physical control on a leash not exceeding eight (8) feet in length.

(2) The keeper of any dog shall keep, restrain, and maintain it in such a manner as not to endanger, or be a nuisance to other persons or property. Failure of the keeper to so restrain the dog shall constitute a violation of this Chapter.

(3) Excepted from this section are dogs under the supervision of a person for the purpose of dog shows, obedience or agility training or trial, hunting, chasing, or treeing predatory animals or game birds, protecting livestock, or in other related agricultural activities. Though these dogs are exempt from the leash requirement, they are required to be under the keepers' immediate control.

(4) Female dogs in heat shall be restrained by the keeper in such a manner as not to create a nuisance by allowing male dogs access to such female dogs.

403.106 Tethering. A chain shall not be used as a collar when tethering a dog. A dog shall not be tethered and left unattended on public property. If a dog is tethered, the tether must be of material and weight that is appropriate for the size of the dog. The tether shall be a minimum of 3 times the length of the dog's body from the tip of the nose to the base of the tail.

403.107 Lost or Stray Dogs.

(1) If any dog becomes lost or strays from its home, it shall be the duty of any person finding the dog to notify the Animal Control Officer within two (2) business days of the name and address of the person finding the dog, together with a full description of the dog, and to surrender upon request the same to the Animal Control Officer or county contracted facility. The Animal Control Officer shall keep a record of such notices.

(2) It is a violation of this Chapter for a person to willfully make a false certification in a Stray Dog Declaration that he or she has no knowledge of the keeper of the dog or the location the dog lives.

(3) After a keeper is notified that their dog has been found, it is a violation if the keeper does not pick up their dog or release ownership of their dog and pay all applicable fees.

(4) Violations of this section shall result in a fine of not less than \$100.00 and not more than \$720.00.

403.108 Impoundment.

(1) Animal Control personnel and police officers are hereby authorized and directed to impound at the designated/County contracted facility any dog that is not controlled, that exhibits dangerous dog behavior, or whose conduct is not in accordance with this Chapter or O.R.S. 609.090. All impounded dogs shall be scanned for microchip identification immediately upon impoundment.

(2) Any dog impounded by a Court, that is not dangerous and does not pose a health or safety risk to the public by being released to the keeper, shall be released to the keeper or the keeper's authorized representative upon payment of all fees required and upon receipt of a written order of release from the Court. Should the Court choose to release to the keeper a dog that is determined to be dangerous, the release shall include specific instructions on confining and containment of the dog to protect public safety.

(3) Refusal of keeper to release dog.

(a) Whenever a person in possession of a dog which has been used in the commission of a violation of this Chapter and which is the subject of a lawful Order of Impoundment refuses to voluntarily release said dog to an Animal Control Officer upon timely and reasonable request, the Animal Control Office shall determine the need to procure the dog's immediate impoundment.

(b) A limited search warrant authorized under this section shall be sought by the Animal Control Office if it is determined that the dog's immediate impoundment is necessary based on one or more of the following factors:

- (i) The public's health and safety is at risk by the subject dog remaining in the possession of the keeper.
- (ii) The health and welfare of the subject dog is at risk by the dog remaining in the possession of the keeper.
- (iii) The keeper has failed to comply with requirements specified in KCC 403.514, Order to Abate.

(c) The Animal Control Office shall request the assistance of the Sheriff to procure and execute the limited search warrant. The Animal Control Office shall prepare the application for the warrant including the affidavit in support thereof. The Animal Control Office shall coordinate with the County Counsel Office or the District Attorney's Office to review the affidavit for compliance with all of the provisions of law. The Animal Control Office shall obtain the warrant in compliance with the procedure and practices authorized under state law for the seizure of property pursuant to a search warrant.

(4) Habitual Offender

(a) Any keeper having been found/pled guilty of allowing a dog to be a habitual offender and subsequently allows the dog to re-offend, may by order of the Court, have the dog permanently removed from said keeper.

(b) Any keeper found/pled guilty of allowing a dog to be a habitual offender may, by order of the Court, lose the right to own any dog(s) while living in Klamath County. And if so ordered, law enforcement personnel may make inquiries or inspections and remove from the premises any dog being found, kept, or owned by said person(s). Any county in Oregon may request a copy of that court order and continue enforcement in their county.

403.109 Time and Notice.

A dog impounded for running at large shall be held in accordance with O.R.S. 609.090 and 403.110 of this Chapter. The day of impoundment is excluded from the computation of time and the last day is included unless it falls on a Saturday or legal holiday. If the dog is licensed as a dangerous dog or if the dog is owned by a keeper that has been assigned, found/pled guilty of being a Habitual Offender, the dog shall not be released without a Court order.

403.110 Redemption.

(1) Any impounded dog that is not dangerous or owned by a habitual offender shall be released to the keeper or the keeper's authorized representative upon payment of impoundment, care, rabies, microchip, and license fees made payable to the Klamath County Animal Control Office, unless there is a court order to the contrary. If, at the discretion of the appointed Animal Control Officer, the dog is determined to be a danger to the public's safety, the dog shall be held until such time and if the Court determines otherwise.

(2) Upon the third impound of the same dog running at large, in addition to paying the fees, care and fines, the dog shall be spayed or neutered at the keeper's expense, prior to release. The microchip, from the first impound, shall be used for positive identification of the dog. The keeper shall be assigned Habitual Offender status by the Animal Control Office and the keeper shall be required to sign a statement acknowledging and accepting the assignment of Habitual Offender prior to release of the dog.

(3) A dog held for the prescribed period and not redeemed by its keeper and which is neither dangerous or of questionable temperament, nor in a dangerous condition of health will be released for disposition to the county contracted facility.

(4) Any dog impounded for running at large, that is owned by a keeper that has been assigned or found/pled guilty of being a Habitual Offender, is considered to be a public safety hazard and shall remain impounded awaiting determination from the Court as to the confinement requirements or the disposition of the dog. The keeper shall be responsible for all fines, fees, costs and expenses incurred by the County while the dog is impounded. A minimum of 10 days of care at the current boarding rate at the County contracted facility must be paid in advance by the keeper to Klamath County Dog Control. When the actual number of days of care is determined, the cost will be calculated and the keeper shall be required to pay all additional amounts to the County. Releasing ownership of the dog does not eliminate the keeper's responsibility to pay fines, fees, and care costs. Should the care be less than 10 days, the keeper may receive a partial refund from the County after deducting any fines or fees still owing.

403.200 Dangerous Dog - Potentially Dangerous Dog.

(1) In addition to the requirements of this Chapter, dangerous dogs must be physically restrained by their keeper to ensure public safety. The keeper must prevent the dog from interfering with the public's legal access to the owner's property or from reaching any public areas, including but not limited to sidewalks, roads, or adjoining property. Failure of the keeper to so restrain and control the dog shall constitute a violation of this Chapter, which will result in the impoundment of the dog, citation, and may result in the loss of ownership of the dog.

(2) An Animal Control Officer, a law enforcement officer, or a private citizen has the right to use reasonable force to protect themselves, another person, or an animal from a dangerous dog running at large or that trespasses on the property of another if the dog is exhibiting dangerous behaviors and if serious physical injury or death to a person or an animal is imminent.

(3) A dog that has been determined to be dangerous dog or a potentially dangerous dog by a Court shall at all times be kept indoors, or in a secure enclosure or kennel from which the dog cannot escape and into which children cannot trespass. Warning signs notifying the public that a dangerous dog is on the premises must be posted in a conspicuous place visible from the public sidewalk or road adjoining the location the dog is kept or if there is no such public sidewalk or road then at the boundary lines of the property where access is provided. A dangerous dog may be off the keeper's premises only if it is restrained by a substantial leash not longer than four (4) feet in length, is humanely muzzled, and if it is under the control of a responsible adult.

(4) Any secure enclosure or kennel used to confine a dangerous dog must meet the following requirements and are subject to inspection by an Animal Control Officer. Should the enclosure

fail to meet the requirements of this section, the dangerous dog shall immediately be impounded by Dog Control:

(a) All outdoor and indoor facilities shall be constructed and maintained to allow sufficient space for the dog to make normal postural and social adjustments with freedom of movement and space for exercise.

(b) All pens must have a floor constructed of concrete or shall have a heavy buried wire barrier sufficient to prevent escape by digging. All pens shall be of sufficient height or be covered with sufficient materials to prevent escape.

(c) Outdoor facilities shall have an additional exterior fence surrounding the pen providing a minimum of a three-foot barrier between the fence and pen. It shall be constructed of sufficient materials and height to prevent entry from the public.

(5) The requirements of this section shall apply to any person who is transferred ownership or who keeps a dangerous dog.

(6) Following a violation of this section the Court may order relief that it deems appropriate for the protection of the public, including that the dangerous dog or potentially dangerous dog be destroyed.

403.210 Other Restrictions; Authority to Impose.

(1) The Court or Board of County Commissioners shall have the authority to determine whether any violation of this Chapter warrants other restrictions and conditions be imposed on the party guilty of a County violation in addition to the civil fine provided for in ORS 609 and this Chapter. Such restrictions and conditions include but are not limited to:

- (a) Adoption;
- (2) Kenneling;
- (3) Insurance;
- (4) Restitution;
- (5) Sterilization;
- (6) Training;
- (7) Community Service.

(2) This determination may be based upon an investigation that includes observation of and testimony about the circumstances and the nature of the County violation, the animal's behavior, the keeper's control of the animal, the care and treatment of the animal, and other relevant evidence as determined by the Court or Board of County Commissioners. These observations and testimony can be provided by the Animal Control Officers or by other witnesses who personally observed the circumstances. They shall sign a written statement attesting to the observed circumstances and agree to provide testimony if necessary.

403.300 Regulation and licensing of Wolf Hybrids.

(1) A wolf hybrid is considered a specialty animal in the Klamath County Land Use Development Code. A Keeper of a wolf hybrid must comply with applicable land use laws and ordinances.

(2) Except as otherwise provided in this Section, all other regulations contained within this Chapter apply to wolf hybrids in the same manner as they apply to dogs and/or other animals.

(3) Animals declared by a Keeper to be a wolf hybrid shall license their wolf hybrid, under a special wolf hybrid license, which shall include an electronic microchip implant. The microchip number shall be kept on file with Dog Control, registered with a national registry by the keeper, and shall be used as a means of permanent identification. Licensing shall apply to all wolf hybrids age six weeks or more and shall be renewed annually, subject to inspection of the containment area. Multi-year licensing and kennel rate licensing for wolf hybrids is not available. Failure to license shall result in the immediate confiscation of the wolf hybrid.

In accordance with ORS 167.339, it is a crime to tamper with law enforcement animals.

ENFORCEMENT PROCEDURES

403.510 Violations; Notice of Violation; Requirements.

(1) Except as provided in KCC 403.520 or violations classified as a crime, all enforcement actions under this Chapter shall be brought before the Justice Court. The Klamath County Board of Commissioners may adopt a schedule of presumptive penalties for violations of this Chapter.

(2) Initiating Enforcement Action. Enforcement of a violation of this Chapter may be instituted by the Animal Control Officer or his/her authorized designee, a duly authorized peace officer or a private citizen. The enforcement action shall be initiated by serving the alleged violator with a Notice of Violation. No enforcement action initiated by a private citizen may be brought without prior review, investigation and approval of the Animal Control Officer. Upon receipt of a complaint by a private citizen, the complaint is sufficient cause for the County to investigate whether the keeper is indeed in violation of this Chapter.

(3) Notice of Violation; Form.

(a) The Notice of Violation shall be an original and three copies and contain wording as designated by the Klamath County Counsel.

(b) The Notice of Violation shall be a multi-part form consisting of at least three parts. Additional parts may be inserted for administrative use. The required parts are:

- (iii) Summons.

(c) The Notice of Violation shall contain the following information or blanks in which such information shall be entered:

- (i) The civil violation number;

- (ii) Name of the person alleged to have committed the violation;
- (iii) Section(s) of the code allegedly violated;

The certification, if made by the Animal Control Officer or law enforcement officer, need not be made under oath.

(e) The Notice of Violation shall state that failure to follow the minimum requirements for appearance constitutes admission that the allegations are true and that the person consents to whatever penalty the Court imposes, notwithstanding payment of the presumptive penalty. This may include, but is not limited to, a monetary judgment entered against the person up to the maximum amount of civil penalties, restitution and other costs allowed by this Chapter for the violation. It shall also state that failure to appear at any scheduled hearing on the violation may result in a default determination and judgment.

(f) Any error in the Notice of Violation or in entering information into the blanks in the form may be corrected at the hearing or prior to the hearing with notice being given to the person cited. The notice shall be set aside by the Court only upon a request by the person cited made before the close of the hearing and upon a determination that the error is prejudicial to the person's defense. Failure to make a request to set aside the Notice of Violation before the conclusion of the hearing shall constitute a waiver and will be an absolute bar to raising this issue at the hearing, or subsequent appeal. Nothing prohibits the Court from amending the Notice of Violation in his or her discretion.

(g) The notice shall contain a provision informing the person alleged to have committed the civil violation that, if the person is going to be represented by counsel, he or she must provide notice to the County Counsel at least five days prior to the hearing, or an automatic continuance of at least five days will be granted.

There shall be a rebuttable presumption that any notice sent by mail was served on the third business day following deposit in the mail.

403.512 Notice of Violation; Minimum Requirements for Appearance.

(1) Any person who has received a Notice of Violation shall choose and follow at least one of the options listed on the back of the Notice of Violation form.

(2) Failure to meet the minimum requirements for appearance before the time and date specified in the summons shall be deemed a waiver, confession of judgment and consent to imposition of a civil penalty as determined by the Court.

403.513 Fixing Hearing Dates; Notice to Defendant; Failure to Appear; Hearing on Violation.

(1) Hearings may be rescheduled upon timely receipt of a request and if the Court concludes that it will not prejudice the interests of either the person alleged to have committed the violation or the County.

(2) A party may be represented by counsel at his or her own expense and must provide notice to County Counsel at least 5 days prior to the hearing. Failure to provide the County with at least 5 days notice that counsel will appear shall entitle the County to an automatic set-over of at least 5 days unless waived by the County.

(3) Justice Court rules and procedures will be followed when the person cited is cited into Justice Court.

403.514 Order to Abate.

(1) If, the time given to comply with an Order to Abate the nuisance has expired without abatement, the Court may summarily abate the nuisance by ordering impoundment of the dog in accordance with KCC 403.108 and assess the cost of such abatement against the keeper of the dog, in addition to the penalties for the violation.

(2) Any party served a written order to abate a nuisance, may appeal the order as provided in KCC 403.516 (1). The appeal under this section may be consolidated with any underlying violation still pending and eligible for appeal under this Chapter. Provided, any challenge relating to the validity of the order to abate the nuisance, shall be joined in one state court proceeding, and there shall be no further administrative review or appeal except as directed by the Court.

(3) Any dog impounded pursuant to the order to abate shall not be released until such time as a Court of competent jurisdiction orders such release.

403.515 Stay of Enforcement; Exceptions.

(1) Enforcement of any Notice of Violation shall be stayed during the pendency of an appeal, except:

(a) Restrictions or conditions placed on the dog's keeper by the Court or

(b) The impoundment of a dog as required under this Chapter or because it was necessary for the protection of the dog.

(2) In any case wherein the subject dog has been impounded and is to be euthanized pursuant to a Court's decision, a party seeking to appeal the decision may obtain a stay of the destruction of the dog pending the resolution of the appeal. The party shall submit a written notice to the Animal Control Office and the County Counsel's Office, within 15 days of the date of the decision of the party's intent to begin the appeal process. The written notice shall be submitted with a deposit as required under KCC 403.517.

403.516 Appeals.

(1) Appeal of the Justice Court's Decision. The sole method for appeal of the Court's decision is in accordance with O.R.S. Chapter 53. If the appeal is not filed within 30 days of the date of the Court's decision, the decision of the Court shall be final.

(2) Wrongful Impoundment. Any keeper who believes his/her dog to have been wrongfully impounded may, within the impoundment period, appeal to the Circuit Court of Oregon for Klamath County which shall have full power to determine whether the dog has been wrongfully impounded; and, if so, shall determine whether it shall be returned to the keeper and under what terms.

403.517 Impoundment Pending Appeal.

(1) In any appeal wherein the subject dog has been impounded pending appeal of the Court's decision the keeper of the dog shall be required to post a deposit with the Animal Control Office, in an amount set by the Board of County Commissioners.

(2) If a dog not previously impounded under this Chapter is subsequently ordered to be impounded by the Court and the keeper

appeals the decision, the keeper of the dog shall be required to post a deposit with the Animal Control Office at the time the notice of intent to file an appeal is submitted, to apply towards the expense of sheltering the dog during the pendency of the appeal proceeding. Unless ordered by the Court, the dog may be killed during the appeal period if the Keeper fails to maintain advance payment of the cost of the dog impounded.

(3) In either situation described above, if the finding of a violation is upheld on appeal, the dog's keeper shall be liable for the cost of the dog's impoundment and shall pay all fees incurred for sheltering and caring for the dog. If the decision is reversed on appeal, the deposit shall be refunded.

403.520 Second Violation of Chasing, Menacing, or Biting a Person; Citation and Summons; Service; Failure to Appear. In the event there is an allegation of chasing, menacing or biting subsequent to an initial determination of such a violation, it will be cited under O.R.S. 609.990(3) and not this Chapter. In accordance with O.R.S. 609.990(3), it is a Class C Misdemeanor if a keeper's dog is a public nuisance because the dog chases, menaces or bites a person on premises other than its keeper's and the dog keeper has previously been convicted of a violation or crime for any dog chasing, menacing or biting a person on premises other than its keeper or on the keepers premises where legal public access is permitted.

403.530 Other Enforcement Procedures. Enforcement under O.R.S. Chapter 609 shall not prevent the filing of a complaint in any other lawful form alleging violation of this Chapter.

(3) For the first violation of menacing of a potentially dangerous dog or dangerous behavior, the maximum fine shall be no more than \$500.00. The keeper must take steps to control a dangerous dog or a potentially dangerous dog as defined in KCC 403.200 and must also manage the dog's behavior to ensure public safety. The Court may require basic obedience training and behavior management classes for dangerous dogs.

(4) Each day a person shall be in violation of this Chapter shall be deemed a separate offense.

(5) Any person who, in connection with the issuance of a Notice of Violation, citation or the filing of a complaint for a violation of this Chapter or rules or regulations adopted pursuant thereto, willfully certifies falsely to the matters set forth

therein is punishable by a fine of not more than \$500 for a non-continuing offense.

(6) Upon conviction of any person for a violation of failure to appear without due and good cause, he/she shall be punished by a fine in addition to the fine and court costs of the violation for which he/she failed to appear; and such additional fine shall not be less than \$1,000.

(7) The provisions of this Section are in addition to and not in lieu of other procedures and remedies provided by this Chapter or state law.

(8) The penalties in this Section are not in lieu of civil proceedings or criminal remedies otherwise provided by law.

(9) In addition to any penalty imposed as provided by KCC 403.540 (1), a Court may order the impoundment and destruction of any dog found to be vicious or a nuisance.

(2) That this Chapter, which establishes ambulance providers for each service area, together with Exhibit "A" attached hereto and incorporated herein by this reference, establishes the Klamath County Ambulance Advisory Committee and creates the Klamath County Ambulance Service Area Plan.

(3) This Chapter and the Klamath County Ambulance Service Area Plan apply to all organizations or persons who provide pre-hospital emergency care within the County except for those who are exempt by O.R.S. 682.035.

405.005 Definitions. The words and phrases in this Chapter shall have the meaning provided in O.R.S. Chapter 682 and OAR Chapter 333, Divisions 250, 255, 260, and 265, unless specifically defined herein to have a different meaning.

(2) "Supplemental Assistance" means assistance provided by one party to another through contractual agreement between the parties for the express purpose of recovering some of the cost for providing said service.

405.050 Ambulance Service Areas. For the efficient and effective provision of ambulance services in accordance with the Klamath County Ambulance Service Area Plan, the ambulance service areas shown on the map as Appendix A* are hereby adopted as the Ambulance Service Areas for Klamath County. The Board of Commissioners, by the adoption of an Order, may adjust the boundaries of the Ambulance Service Areas from time to time as necessary to provide efficient and effective ambulance services.

405.060 Assignment of an Ambulance Service Area.

(1) Effective July 1, 1992, no entity shall be assigned an Ambulance Service Area in Klamath County without submitting a proposal to the Board of Commissioners. The Board of Commissioners will assign the Ambulance Service Areas based on the protocols of this ordinance.

(2) Public notice shall be given at the time a Request for Proposal is solicited for the assignment of the Ambulance Service Area.

405.100 Licensing of Ambulance Service.

405.110 Application for Ambulance Service Area.

(1) Any person desiring to obtain or renew an Ambulance Service Area to engage in the business of operating an ambulance or ambulances within Klamath County shall submit an application to the Klamath County Ambulance Advisory Committee. CHAPTER 406
KLAMATH COUNTY CLEAN AIR ORDINANCE

406.001 Policy and Purpose. To control and address air quality problems and identify the Air Quality Zone, so that Klamath County will have clean air for the benefit of its citizens' health and welfare; to be in compliance with requirements of the Federal Clean Air Act of 1990 and applicable revisions or updates, and not exceed the National Ambient Air Quality Standard for particulate matter; and to improve economic development opportunities.

406.005 Definitions. Except where the context otherwise requires, the definitions given in this section govern the construction of this Chapter.

(1) AIR QUALITY ADVISORY - A means, declared and provided by the Klamath County Environmental Health Division based on the Air Quality Forecast, to inform area residents of what the air quality is or potentially will be. The advisories shall be:

(a) Red Advisory Period - A period of time when an Air Quality Forecast predicts that particulate matter concentrations have the potential to exceed or are exceeding an estimate of 150 $\mu\text{g}/\text{m}^3$ of PM-10 or 30 $\mu\text{g}/\text{m}^3$ for PM-2.5 for a 24-hour average. Such pollution concentrations have a high probability of being unhealthy.

(b) Yellow Advisory Period - A period of time when the Air Quality Forecast predicts that particulate matter concentrations are less than what would be considered for the Red Advisory Period, but would likely exceed estimates of 80 $\mu\text{g}/\text{m}^3$ of PM-10 or 16 $\mu\text{g}/\text{m}^3$ of PM-2.5 for a 24-hour average. Such pollution concentrations have a high probability of impacting public health.

(c) Green Advisory Period - A period of time when an Air Quality Forecast predicts daily particulate matter concentrations for a 24-hour average will not exceed 80 $\mu\text{g}/\text{m}^3$ of PM-10; or 16 $\mu\text{g}/\text{m}^3$ of PM-2.5.

(2) AIR QUALITY FORECAST - A method of using available data including, but not limited to, local weather conditions, current and anticipated particulate levels, and weather forecasts to determine the PM-10 and PM-2.5 particulate matter concentrations.

(3) AIR QUALITY INSPECTOR - Air Quality Inspectors may be staff of the Klamath County Environmental Health Division, the Klamath County Code Compliance Office, the Code

Enforcement Office of the City of Klamath Falls, or the County Fire Districts who will act within their scope of authority. (4) AIR QUALITY ZONE - An area within the County as depicted on the map and legal description in Exhibit A.

(5) AGRICULTURAL OPERATION - An activity including an irrigation operation on land currently used, or intended to be used primarily for the purpose of obtaining a profit by raising, harvesting and selling crops, or by raising and selling livestock and/or poultry, or the products thereof. Agricultural operation also means activities conducted by not-for-profit agricultural research organizations, which activities are necessary to serve that purpose. It does not include the construction and use of dwellings customarily provided in conjunction with the agricultural operation.

(6) BUILDING - All residential or commercial structures including manufactured homes.

408.002 Basic Clause. It shall be unlawful for any person, persons, corporation, organization, landowner, or lessor to allow, promote, conduct, permit or cause to be advertised, an entertainment assembly when said person, persons, corporation, organization, landowner, or lessor believes or has reason to believe that such assembly will attract 500 or more persons, whether or not charge or contribution is required for admission, unless a valid County permit has been obtained for the operation of said entertainment assembly. One such permit shall be required for each entertainment assembly, except that, if two or more assemblies are to be held at the same site during any twelve-month period, one permit may be issued for the entire period, provided all terms and conditions of this Ordinance are met on each occasion. Criminal or civil liability for failure to comply with the provisions of this Ordinance shall rest in all persons, corporations, organizations, landowners, or lessors who are responsible for obtaining permits under this provision.

408.003 Permit Required - Fee. No entertainment assembly shall be held in Klamath County outside the limits of incorporated cities and towns unless the person, persons, or corporation sponsoring said entertainment assembly shall first obtain a permit as hereinafter provided, and shall comply with all regulations herein provided. The fee for said permit to cover the cost of inspecting facilities and issuing and administering the same prior to the event shall be in accordance with the following schedule:

(1) 500 to 2,500 persons reasonably anticipated to attend-
\$300.00

(2) 2,500 and more persons reasonably anticipated to attend
- \$350.00

Written application for each entertainment assembly permit shall be made to the Board of County Commissioners for Klamath County, Oregon, thirty (30) or more days prior to the first day upon which such entertainment assembly is to be or may be held by

filing the same with the Klamath County Clerk, and shall be accompanied by a deposit of the fee herein required. It shall be signed by the person or persons organizing and sponsoring said assembly and verified upon oath. Each application shall state the location to be utilized for said assembly, and shall also include an agreement that the applicant or applicants will abide by all rules and regulations of this Ordinance and other regulations and laws for the protection of the health, morals, and safety of the persons employed therein, and for the patrons or participants thereof, and for the public. Each application shall be accompanied by the fingerprints and a three-inch by five-inch photograph of each and every organizer, promoter, and sponsor of said assembly. Said fingerprints and photographs may be taken by the Sheriff at the request of the applicant.

Any permit issued as herein provided shall be kept posted in a conspicuous place upon the premises of said assembly. No permit shall be transferable or assignable without the consent of the Board of County Commissioners. No rebate or refund of money paid for a permit shall be made.

408.004 Application Procedure - Approval. Within ten (10) days after the application for said permit is made, the applicant must obtain written approval and assurance from each of the various appropriate agencies or departments that satisfactory arrangements have been made by the applicant to comply with all of the conditions hereinafter enumerated. No permit shall be issued unless the appropriate agencies or departments have approved as to each condition.

When any type of physical facility is required or subject to approval hereunder, preliminary approval may be granted based upon specific plans proposed and submitted by the applicant. All such facilities shall be in existence five (5) or more days before the event for which an application is submitted and shall be subject to inspection by the approving agencies or departments. Should the actual facility or construction fail to meet the standards approved in the proposed plans, such preliminary approval shall be withdrawn and any and all permits granted subject to such approval shall be withdrawn. Said approval shall be on forms provided and shall be filed with the County Clerk.

(1) Condition No. 1 - Sanitary Facilities

The Health Department shall have the responsibility for approving all sanitation and related facilities to ensure that reasonable minimum standards have been or will be met by the applicant, in accordance with the procedures outlined below. The applicant must provide the Health Department with a sketch, and other detailed information, showing the type, number, and location of all toilets, washing facilities, water supply, food preparation, food service facilities and solid waste collection locations.

Health Department approval is based upon, but not limited to, the following minimum guideline requirements:

(a) TOILETS: A contractual agreement, with a reliable firm, shall accompany any application with provisions for

providing CHEMICAL TOILETS and the sanitary maintenance of these toilets, on a continual basis if necessary, based upon the ratio of:

(i) one toilet for each 100 persons of each sex;
and

(ii) one urinal for each 100 male persons. Such facilities shall be conveniently located and indicated on the sketch plan.

(b) HAND WASHING FACILITIES: In the absence of running water and normal hand washing facilities, pre-packaged sanitary wet towels, provided in adequate numbers and conveniently located, may be substituted.

(c) WATER: An adequate supply of bacteriologically safe drinking water shall be provided in a convenient location with adequate sanitary dispensing equipment (paper cups, fountains, etc.).

(d) WASTE COLLECTION AND REMOVAL: A contractual agreement with the area's franchised collector providing for an adequate number of containers, routine collection (including litter) and removal to an authorized disposal site shall accompany the application.

(e) FOOD SERVICE FACILITIES: These facilities shall comply with the Oregon State Board of Health regulations that pertain to the operation of "Temporary Restaurants" should such operation not exceed thirty (30) days.

Said approval by the Health Department shall indicate the number, type, and location (when appropriate) of the various facilities. Approval shall include a description of the specific type of food preparation and food service facilities to be provided.

(2) Condition No. 2 - Fire Protection Standards

No permit shall be granted hereunder unless the applicant has shown that the appropriate Fire Protection District Officer has approved the type, size, number, and location of fire protection devices and equipment available at, in, or near any location (including outdoor sites, buildings, tents, stadium or enclosure) wherein or whereupon more than ten (10) persons may be expected to congregate at any time during the course of such entertainment, amusement, or assembly for which a permit is hereunder required. If the site for which the permit is applied for is located outside a Fire Protection District, the applicant must show approval from the office of the State Fire Marshall.

(3) Condition No. 3 - Medical Services

The Health Department shall have responsibility for approving plans as to medical service required for the entertainment assembly. Each entertainment assembly shall have as a minimum one ambulance and a first aid station staffed by two adult individuals trained in first aid techniques.

All motorized racing events must have an ambulance with attendants present on standby at the start of all races and during all races and time trials or the race or time trial must stop until the ambulance and attendants are present.

(4) Condition No. 4 - Public Safety

The applicant must submit his/her plans for public safety at the entertainment assembly to the Sheriff for his/her approval.

(a) Adequate traffic control and crowd protection policing must have been contracted for or otherwise provided by the applicant. There shall be provided one traffic control person for each 250 persons expected or reasonably expected to be in attendance at any time during the event. Further, there shall be provided one crowd control person for each 100 persons expected or reasonably expected to be in attendance at any time during the event.

(b) The applicant shall submit the names and necessary background information, on forms provided by the Sheriff, for all traffic control and crowd control personnel to be utilized during the entertainment assembly for investigation by the Sheriff as to fitness. All such personnel must meet the following minimum standards in order to be approved as suitable by the Sheriff:

- (i) Be 21 through 65 years of age;
- (ii) Be in good physical health;
- (iii) Never have been convicted of a felony or misdemeanor involving moral turpitude;
- (iv) Either have received reasonable minimum training in law enforcement or have on-the-job experience in law enforcement.

All of said policing personnel must wear an appropriate identifying uniform and must be on duty during the entire entertainment assembly unless a relief schedule has been planned and approved. A relief schedule will be approved by the Sheriff only when sufficient policing strength on duty has been maintained to meet the above-described minimum strength standards.

It shall be the duty of said policing personnel to report any violations of the law to the Sheriff, his/her deputies, or representatives and to take whatever action as can reasonably be expected of them to enforce the law.

(5) Condition No. 5 - Parking Facilities

The applicant shall provide the Sheriff with a scale drawing showing adequate parking facilities have been made available within or adjacent to the location for which the permit is requested. Such parking facilities shall provide parking space for one vehicle for every four persons expected or reasonably to be expected to attend said event. Adequate ingress and egress shall be provided from such parking area to facilitate the movement of any vehicle at any time to or from the parking area. Should busses be used to transport the public to said event, it shall be shown that public parking or parking as described above is available at any site from which busses are scheduled to pick up persons to transport them to said event.

408.005 Bond of Indemnity and Insurance.

(1) Bond of Indemnity: No permit shall be issued hereunder unless the applicant has on deposit with the Klamath County Treasurer the following sum of cash or appropriate bond as an indemnity to save and protect the streets, pavements, bridges,

road signs and other property of the County from any and all damages that may be caused by vehicles, employees, participants in or patrons of such entertainment assembly and to be used, if necessary, to restore the grounds where such entertainment assembly is held to a sanitary condition and pay all charges and losses to the County for damages to the streets, bridges, and other property.

(a) \$25,000.00 when attendance of 500 to 2,500 is reasonably anticipated.

(b) \$50,000.00 when attendance over 2,500 persons is reasonably anticipated.

When a dispute arises between the parties as to the number of persons anticipated to attend, the decision of the Board of Commissioners thereon establishing the amount of bond required and the permit fee shall be final and controlling.

Provided further, that should the licensed event necessitate the incurring of any expenses or the deployment of additional personnel by the County, or at the request of the County, such added expense shall be recoverable from the principal and its surety out of the cash on deposit and/or the bond. The deposit or its balance to be returned when the Board of County Commissioners certifies to the Treasurer that no damage has been done and that the County did not incur additional expenses due to said licensed event or that the cost of the above has been paid by the permittee.

The indemnity bond shall be in such form and with such sureties as approved by the Board of Commissioners. The Board of Commissioners may waive the requirement of the performance bond upon other satisfactory assurance of performance.

(2) Insurance: The permit applicants shall be required to furnish evidence of liability insurance providing for a minimum of \$500,000.00 bodily injury coverage per person, \$1,000,000.00 bodily injury insurance per occurrence, and \$500,000.00 property damage coverage, naming Klamath County as an additional insured. Said liability insurance shall apply to, and provide coverage for, any and all claims for bodily injury and property damage arising from or caused by the entertainment assembly for which the permit is granted. In the event that all participants in any racing event, in the judgment of the Board of Commissioners, have adequate liability insurance, this requirement may be waived.

408.006 Inspection. No application shall be granted hereunder unless the applicant shall in writing upon the application for such permit consent to allow law enforcement, public health, and fire control officers to come upon the premises for which the permit has been granted for the purpose of inspection and enforcement of the terms and conditions of the permit and this Ordinance, and any other application laws or ordinances.

408.007 Hours of Operation. No entertainment assembly shall be conducted in the unincorporated areas of Klamath County within 1,000 feet of any residence between the hours of 12:01 a.m. and

9:00 a.m. and in all other areas between the hours of 2:00 a.m. and 9:00 a.m.

408.008 Intoxicating Liquor Prohibited. No firm, person, society, association, or corporation conducting any entertainment assembly, nor any person having charge or control thereof at any time when an entertainment assembly is being conducted shall permit any person to bring into said entertainment assembly, or upon the premises thereof, any intoxicating liquor, nor permit intoxicating liquor to be consumed on the premises, and no person during said time shall take or carry onto said premises or drink thereon intoxicating liquor. This provision shall not apply to the sale and consumption of intoxicating liquor from a facility located on the premises of an entertainment assembly when licensed by the State of Oregon.

408.009 Crowd Limitation. If at any time during said entertainment assembly the size of the crowd exceeds by 10 percent or more the number of persons expected to be in attendance, the Sheriff or any of his/her deputies shall require the permittee or sponsor to limit further admissions until sanitation, parking, fire, health, medical, traffic, and crowd control requirements have been brought into conformity with the standards herein.

All entertainment assemblies operating without a permit under the terms of this Ordinance due to the fact that less than 500 persons were reasonably anticipated to attend shall limit attendance therein to 499 persons.

408.100 Duty of Preserving Order Placed on Operator. It is the intention of this Ordinance to put the burden of preserving order upon the operator of the entertainment assembly, and if any entertainment assembly in Klamath County is not being operated in accordance with the rules and regulations prescribed in this Ordinance and set forth in the State laws, the permittee shall be subject to revocation of his/her permit, and the permittee or other individual responsible subject to such other punishment as the law and this Ordinance provides.

408.110 Compliance. Compliance with the terms and conditions of this Ordinance shall constitute minimum health, sanitation, and safety provisions; and failure to comply with the terms and conditions of this Ordinance or State laws shall constitute a public nuisance and shall be subject to all criminal, civil, and equitable remedies as such.

408.120 Penalties. Any person who shall violate or fail to comply with any provision of this Ordinance or who having obtained a permit hereunder willfully fails to continue to comply with the terms and conditions thereunder, or who shall counsel, aid, or abet such a violation or failure to comply is subject to a fine of not more than \$720.00 for a non-continuing violation and a fine of not more than \$1,000.00 for a continuing violation. This Chapter

may be enforced in accordance with Chapter 800, Uniform Civil Violation Procedure.

CHAPTER 411
CRIMINAL HISTORY RECORD CHECK POLICY

411.001 Purpose.

In order for Klamath County government to operate effectively, persons selected for employment or as a public service volunteer with Klamath County must have the highest degree of citizen and public trust and confidence.

411.005 Scope.

All Klamath County employees and public service volunteers represent the county to its citizens. Many County employees and volunteers have responsibilities to regulate and maintain public health and safety. Some county employees have the ability and authority to bind the County contractually, have access to public funds and property, and possess access to privileged and proprietary information submitted to the County in confidence.

All applicants for employment and appointed volunteers with Klamath County will be required to authorize the County to conduct a criminal offender information check through the OSP LEDS system.

411.100 Powers and Authority.

The criminal history authorization form will be maintained by the Human Resources Department who will request that the check be conducted by the Sheriff's Office.

A member of the Sheriff's Office trained and authorized to perform criminal history checks through the LEDS system will conduct the check on the prospective employee or volunteer and orally report to the Human Resources Department that the applicant's records indicates "no criminal record" or "criminal record". If the applicant's record is reported as "criminal record", the Human Resources Department will, under OAR 257-010-0025(1)(c) request written criminal history report from the OSP Identification Services Section and pay the applicable fee for this service. Human Resources staff will make the written criminal history record available to the employment or volunteer selecting official for his or her consideration in making the selection.

The written criminal history record on persons that are not hired or appointed as a volunteer will be retained in accordance with the requirements of OAR 166-150-0160(10) for a period of three years and thereafter will be destroyed by shredding. The criminal history record of applicants and volunteers with a criminal history that are hired or appointed, will become a part of the confidential personnel files of that employee or

volunteer. Access to confidential personnel files is limited to only authorized persons who have an official need to access such files that is sanctioned by law or regulation.

Liquor license applicants are required to apply to the County for recommendation to the Oregon Liquor Control Commission (OLCC) as part of its licensing process. It is necessary and appropriate that such applicants' criminal record histories are reviewed in conjunction with the County's recommendation process.

411.200 Validity.

If any section, subsection, sentence, clause, phrase or word of this Chapter shall, for any reason, be held invalid or unconstitutional by a court of competent jurisdiction, it shall not affect the validity of the remainder of this Chapter, but shall be confined to the section, subsection, sentence, clause, phrase or word to which it applies, it being the intent of the Board of County Commissioners that this Chapter should stand with such deletions.

Ordinance No. 93.00 - 2/22/2021

Chapter 413

LAND APPLICATION OF RECLAIMED WATER AND BIOSOLIDS

413.010 Purpose. It is the purpose and intent of this chapter to regulate the agricultural land application of reclaimed water and biosolids in the unincorporated territory of Klamath County in a manner that protects public health, ground and surface waters, agricultural markets, and sensitive wetlands and habitat areas. In order to ensure adequate protection of irreplaceable resources, including critical groundwater basins and agricultural land devoted to food production, this chapter provides local control and requires that the highest levels of safety be observed in the land application of reclaimed water and biosolids. This chapter is intended to supplement and to operate in conjunction with standards imposed on the land application of reclaimed water and biosolids by state and federal law and by the applicable rules, regulations, orders and requirements of the Oregon Department of Environmental Quality. Applicable state and federal statutes and regulations include, but are not limited to, ORS 454.695, 459.205, 468B.050, 468B.053, 468B.055, 468B.095, 215.246, 215.247, 215.249, 215.251, OAR Chapter 340 and 40 CFR Part 503, as currently enacted and subsequently amended.

413.020 Authority. This chapter is adopted pursuant to ORS Chapter 203. In addition, 40 CFR Part 503 recognizes the authority of local government to impose more stringent requirements on the use or disposal of reclaimed water and biosolids in order to protect public health and the environment.

413.030 Definitions. For purposes of this chapter, the following terms shall be defined as follows:

(1) "Active compost" means compost feedstock that is in the process of being rapidly decomposed and is unstable. Active compost is generating temperatures of at least fifty degrees Celsius (one hundred twenty degrees Fahrenheit) during decomposition and is releasing carbon dioxide at a rate of at least fifteen milligrams per-gram of compost per-day, or the equivalent of oxygen uptake.

(2) "Agricultural Land" means any land zoned exclusive farm use, or land used in the production of agriculture or livestock forage.

(3) "Applicator" means any person engaged in the land application of reclaimed water or biosolids.

(4) "Beneficial Purpose" means a purpose where recycled water is utilized for a resource value, such as nutrient content or moisture, to increase productivity or to conserve other sources of water.

(5) "Biosolids" means solids derived from primary, secondary, or advanced treatment of domestic wastewater which have been treated through one or more controlled processes that significantly reduce pathogens and reduce volatile solids or chemically stabilize solids to the extent that they do not attract vectors. This term refers to domestic wastewater treatment facility solids that have undergone adequate treatment to permit their land application. This term has the same meaning as the term "sludge" in ORS 468B.095, and the term "sewage sludge" found elsewhere in OAR 340. Biosolids, as used in this chapter, includes composted material that contains material derived from sewage sludge and which fails to meet the standards specified for "biosolids derived products," as defined herein. Notwithstanding any other provision hereof, biosolids, as used in this chapter, specifically excludes those biosolids products that are packaged in a bag or container for routine retail sales through regular retail outlets, which products are primarily used for residential landscaping.

(6) "County" means the county of Klamath, State of Oregon.

(7) "Exceptional Quality Reclaimed Water or Biosolids" means domestic wastewater treatment facility effluent or solids containing trace pollutant concentrations which are below federal alternative pollutant limits recognized under 40 CFR §503.13(b)(3) that have been treated by a Class A pathogen reduction process recognized under 40 CFR §503.32(a) and one of the vector attraction reduction procedures established under 40 CFR §503.33(b)(1)-(8). Reclaimed water must be treated to a standard that allows for the application of the reclaimed water to food crops intended for human consumption. Solids are recognized as soil amendments which are acceptable for distribution and marketing to the public. If a conflict ever exists between the definition of "Exceptional Quality Reclaimed Water or Biosolids" as currently found in 40 CFR §503 or as defined by the Oregon Department of Environmental Quality as currently found in OAR Chapter 340, the more restrictive definition shall apply, so that the use is acceptable on lands producing crops for human consumption.

(8) "Biosolids Derived Products" means materials derived from composting domestic wastewater treatment facility solids or other processes, such as thermal drying, which result in a material which meets pollutant concentrations in 40 CFR §503.13(b)(3), the Class A pathogen requirements in 40 CFR §503.33(b)(1) to §503.33(b)(8). Biosolids derived products also include any soil amendments which, in part, contain biosolids

meeting these criteria. Biosolids derived products are acceptable for distribution to the general public for immediate use.

(9) "Existing operator" means a person who on the effective date of this chapter is operating pursuant to current waste discharge requirements for the land application of reclaimed water or biosolids as issued by the Oregon Department of Environmental Quality.

(10) "New operator" means any person who on the effective date of this chapter is not yet operating pursuant to current waste discharge requirements for the land application of reclaimed water or biosolids as issued by the Oregon Department of Environmental Quality.

(11) "Land application" means the spraying or spreading of reclaimed water and biosolids onto the land surface, the injection of reclaimed water and biosolids below the surface of the land, or the incorporation of reclaimed water and biosolids into the soil so that it can either condition the soil or fertilize crops or vegetation grown in the soil.

(12) "Land Owner" means the owner or owners of land upon which the reclaimed water or biosolids are proposed to be applied or are being applied.

(13) "Person" means any individual, firm, partnership, joint venture, association, corporation, estate, trust, receiver, syndicate, city, county or other political subdivision, or any other group or combination acting as a unit.

(14) "Reclaimed water" means water that has been used for municipal purposes and after such use has been treated in a treatment works as defined in ORS [454.010 \(Definitions for ORS 454.010 to 454.040\)](#), and that, as a result of treatment, is suitable for a direct beneficial purpose or a controlled use that could not otherwise occur. For purposes of this ordinance, reclaimed water also includes agricultural and industrial process water as those terms are used in ORS 215.246.

(15) "Recycled Water" means treated effluent from a wastewater treatment system which as a result of treatment is suitable for a direct beneficial purpose. Recycled water is reclaimed water for purposes of this ordinance.

(16) "Wastewater" under this ordinance means the wastewater or sewage carried human or animal waste from residences, buildings, industrial establishments or other places, together with such groundwater infiltration and surface water as

may be present. The admixture with sewage of wastes or industrial wastes shall also be considered "wastewater" within the meaning of this ordinance.

(17) "Wastewater treatment facility" means a facility that has been permitted by the State of Oregon and/or the County, or a city within the county, to conduct wastewater treatment operations, resulting in generation of reclaimed water or biosolids as a by-product thereof.

413.040 Reclaimed Water and Biosolids Land Application Prohibitions.

(1) The land application of reclaimed water or biosolids to agricultural land located in the unincorporated area of Klamath County, is hereby prohibited, except as expressly authorized under the provisions of Section 413.050 herein.

(2) The discharge of reclaimed water or biosolids to surface waters or surface water drainage courses located within the unincorporated area of the county, including wetlands and waterways, is hereby prohibited.

413.050 Reclaimed Water and Biosolids Land Application Authorizations.

(1) The prohibitions set forth in Subsection (1) of the preceding Section 413.040 do not apply to exceptional quality reclaimed water or biosolids, as defined herein, provided that land application of exceptional quality reclaimed water or biosolids:

(a) Shall be subject to waste discharge requirements and any other applicable regulatory provisions of the State of Oregon or Klamath County.

(2) The prohibitions set forth in Subsection (1) of the preceding Section 413.040 do not apply to biosolids derived products, as defined herein, provided that any land application of exceptional quality compost after the effective date of this chapter:

(a) Shall be subject to waste discharge requirements and any other applicable regulatory provisions of the State of Oregon and Klamath County.

(3) From the effective date of this chapter, no person may apply any reclaimed water or biosolids to the agricultural lands

of the unincorporated areas of Klamath County unless that person meets the following requirements:

- (a) Existing operators may continue to land apply reclaimed water or biosolids if the existing operator's operations are limited to the specific site(s) for which waste discharge requirements have been previously approved, and for which a permit has been previously issued by the State of Oregon, or the county, as the case may be (except as to land that is exempt from county zoning and land use requirements), prior to the effective date of this chapter, or;
- (b) New operators may land apply reclaimed water or biosolids for an operation with 1500 or fewer subscribers, customers, patrons, etc., at a quality lower than required herein, if the new operator obtains the proper permits and approval by the State of Oregon, or the county, as the case may be (except as to land that is exempt from county zoning and land use requirements).

413.060 Penalties. Failure to comply with the provisions of this Chapter shall be subject to fines of up to \$720.00 for a one-time occurrence, and fines of not more than \$1,000.00 for a continuing, or repeated offense. Every violation of this chapter shall be construed as a separate offense for each day during which such violation continues and shall be punishable as provided in this section. This provision will be enforced in accordance with Chapter 800, Uniform Civil Violation Procedure of the Klamath County Code.

413.070 Severability. If any section, subsection, sentence, clause, phrase or portion of this Chapter is for any reason held invalid in a court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision, and shall not affect the validity of the remaining portion thereof.

CHAPTER 602
SECONDHAND DEALERS

602.001 Application of Chapter. This Chapter shall apply to those secondhand dealers within the unincorporated areas of the County and within the incorporated area of any city upon consent of the governing body or the electors of the city.

602.002 Purpose; Intent. The purpose of this Chapter is to provide regulations for certain business activities which the Board of County Commissioners finds present an extraordinary risk in concealing criminal behavior involving the theft of property and its possible resale. The risk is present despite the best efforts of legitimate dealers in the secondhand market because of the large volume of goods and materials that are processed in such businesses without systematic identification of the goods and/or persons subject to criminal prosecution. Therefore, this Chapter is intended to reduce this type of criminal activity by providing more timely police awareness of such business transactions and by imposing certain restrictions. The Board finds that the regulations provided in this Chapter are necessary to provide for the protection of the residents of the County and their property.

602.003 Definitions. As used in this Chapter:

Excluded from the definition of merchandise shall be gold or silver bullion coins, and gold, silver or platinum bullion that has been assayed and is properly marked as to its weight and fineness. Also excluded from the definition of merchandise shall be serialized and marked appliances and electronic equipment taken in as a trade-in on a new like appliance or electronic equipment by a dealer who is in the business of selling new appliances and electronic equipment.

(3) "Peace officer" means a member of the State Police, the Sheriff, a marshal, a municipal police officer, or an investigator of the Criminal Justice Division of the Department of Justice of the State.

(4) "Proper identification" means a motor vehicle operator's license or a State issued identification card.

(5) "Secondhand business" means a business engaged in conducting, managing, or carrying on the business of buying, selling, or otherwise dealing in specified secondhand merchandise.

selling, or otherwise dealing in specified secondhand merchandise, and all persons listed as owners of the secondhand business on the business license applications. Excluded from this definition are isolated sales not in the regular course of any business, occasional garage sales and flea markets held at the same location on no more than five (5) days during any thirty-day (30 day) period, and auctions. All secondhand dealers shall be responsible for the acts of their employees, and any violation of this Chapter by any employee shall be imputed to the employer and/or secondhand business. The employer and/or the secondhand business may suffer any of the penalties provided in this Chapter as the result of a violation by an employee.

(7) "Sheriff" means the County Sheriff, his or her Deputy, or his or her duly authorized representative.

602.100 Records Required.

(1) All forms, for the purpose of making reports to the Sheriff as required by this Chapter, shall be furnished by the Sheriff, free of charge upon request. (2) Secondhand dealers shall complete the form at the time of purchasing or accepting consignment of specified merchandise. The form shall be filled out in clear, legible printing. All specified merchandise must be listed in detailed description thereof. Specified merchandise regulated pursuant to this section shall only be purchased or consignment accepted by the dealer after the seller has presented proper identification or after the buyer has obtained a detailed description of the seller. The seller must sign the completed form.

(3) The secondhand dealer shall complete each form by listing the merchandise tag number for the specified merchandise; the hour and day when such articles were purchased or consigned; the number of articles of specified merchandise purchased or consigned; the description of such specified merchandise including any brand names, model number, serial number, and inscriptions; complete name, address, and either the identification number on the seller's motor vehicle operator's license or a state issued identification card, or the detailed description of the seller; the signature of the seller, and the name of the authorized buyer/clerk.

(4) The dealer's copy of all such forms shall be retained on the premises of the secondhand dealer's business for not less than one year, and shall be available for inspection upon request by the Sheriff or his or her representative.

(5) The secondhand dealer shall turn over a copy of the completed form to any peace officer as defined in Section 602.003 (2) upon request of that peace officer.

(1) Whoever violates or fails to comply with any of the provisions of this Chapter shall be fined not more than seven hundred twenty dollars (\$720).

(2) A person shall be fined not more than \$720 a day for a continuing offense.

602.600 Severability. The provisions of this Ordinance are severable, and any invalid section, subsection, sentence, clause, phrase or portion of this Ordinance if for any reason is held invalid or unconstitutional in a Court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision and shall not effect the validity of the remaining portions of the Ordinance.

Compliance with the provisions of this Ordinance by the intermediary, the principal or the managing agent shall be considered to be compliance by all.

(7) "Person" means any individual, firm, partnership, joint venture, association, social club, fraternal organization, fraternity, sorority, public or private dormitory, joint stock company, corporation, estate, trust, business trust, receiver, trustee, syndicate, or any other group or combination acting as a unit.

(9) "Rent Package Plan" means the consideration charged for both food and rent where a single rate is made for the total of both. The day a transient checks out of the transient lodging shall not be included in determining the thirty-day period if the transient is not charged rent for that day by the operator. Any such individual so occupying space in transient lodging shall be deemed to be a transient until the period of thirty days has expired unless there is an agreement in writing between the operator and the occupant providing for a longer period of occupancy.

603.100 Tax Imposed. For the privilege of occupancy in any transient lodging, on and after the effective date of this Chapter, each transient shall pay a tax in the amount of eight percent (8%) of the rent charged by the operator. The tax constitutes a debt owed by the transient to the County which is extinguished only by payment to the operator. The transient shall pay the tax to the operator of the transient lodging at the time the rent is paid. The operator shall enter the tax on his records when rent is collected if the operator keeps his records on the cash accounting basis and when earned if the operator keeps his records on the accrual accounting basis. Operators starting business after this Ordinance is adopted must register within fifteen (15) calendar days after commencing business. The privilege of registration after the date of imposition of such tax shall not relieve any person from the obligation of payment or collection of tax regardless of registration. Registration shall set forth the name under which an operator transacts or intends to transact business, the location of his place or places of business and such other information to facilitate the collection of the tax as the Tax Administrator may require. The registration shall be signed by the operator. The Tax Administrator shall within ten (10) days after registration issue without charge from the occupant a

Certificates shall be non-assignable and nontransferable and shall be surrendered immediately to the Tax Administrator upon the cessation of business at the location named or upon its sale or transfer. Each certificate and duplicate shall state the place of business to which it is applicable and shall be prominently displayed therein so as to be seen and come to the notice readily of all occupants and persons seeking occupancy.

(2) Said certificate shall, among other things, state the following:

- (a) The name of the operator;
- (b) The address of the transient lodging;

603.300 Due Date, Returns and Payments.

(1) The tax imposed by this Chapter shall be paid by the transient to the operator at the time that rent is paid. All amounts of such taxes collected by any operator are due and payable to the Tax Administrator on a quarterly basis on the fifteenth (15th) day of the month for the three preceding months and are delinquent on the last day of the month in which they are due. The Tax Administrator shall notify each operator of the due and delinquent dates for the operator's return. The initial return under this ordinance may be less than the three months preceding the due date; thereafter, returns shall be made for the applicable quarterly period.

(2) On or before the fifteenth (15th) day of the month following each quarter of collection a return for the preceding quarter's tax collections shall be filed with the Tax Administrator. The return shall be filed in such form as the Tax Administrator may prescribe by every operator liable for payment of tax.

(3) Returns shall show the amount of tax collected or otherwise due for the related period. The Tax Administrator may require returns to show the total rentals upon which tax was collected or otherwise due, gross receipts of operator for such period, and an explanation in detail of any discrepancy between such amounts, and the amount of rents exempt, if any.

(4) The person required to file the return shall deliver the return together with the remittance of the amount of the tax due to the Tax Administrator at his office either by personal delivery or by mail. If the return is mailed, the postmark shall be considered the date of delivery for determining delinquencies.

(5) For good cause, the Tax Administrator may extend but not to exceed one month the time for making any return or payment of tax. No further extension shall be granted, except by the Board. Any operator to whom an extension is granted shall pay interest at the rate of one percent (1%) per month on the amount of tax due without proration for a fraction of a month. If a return is not filed and the tax interest due is not paid by the end of the extension granted, then the interest shall become a part of the tax for computation of penalties described elsewhere in this Chapter.

(6) If the operator has complied with the terms of this Chapter and particularly the provisions of this section relating to prompt payment of taxes due and payable to the Tax Administrator, he shall be permitted to deduct as a personal collection expense 7% of the amount of the taxes collected as shown by the return mentioned in paragraph 3 of this section.

603.400 Penalties and Interest.

(1) Original Delinquency. Any operator who has been granted an extension of time for remittance of tax due and who fails to remit any tax imposed by this Chapter prior to delinquency shall pay a penalty of ten percent (10%) of the amount of tax due in addition to the amount of the tax.

(2) Continued Delinquency. Any operator who has not been granted an extension of time for remittance of tax due and who failed to pay any delinquent remittance on or before a period of thirty (30) days following the date on which the remittance first became delinquent shall pay a second delinquency penalty of fifteen percent (15%) of the amount of the tax due plus the amount of the tax and the ten percent (10%) penalty first imposed.

(3) Fraud. If the Tax Administrator determines that the nonpayment of any remittance due under this Chapter is due to fraud or intent to evade the provisions thereof, a penalty of twenty-five percent (25%) of the amount of the tax shall be added thereto in addition to the penalties stated in paragraphs 1 and 2 of this section.

(4) Interest. In addition to the penalties imposed, any operator who fails to remit any tax imposed by this Chapter shall pay interest at the rate of one-half of one percent per month or fraction thereof without proration for portions of a month on the amount of the tax due, exclusive of penalties, for the date on which the remittance first became delinquent until paid.

(5) Penalties Merged with Tax. Every penalty imposed and such interest as accrues under the provisions of this Chapter shall be merged with and become a part of the tax herein required to be paid.

(6) Petition for Waiver. One or more deficiency determinations may be made of the amount due for one or more than one period, and the amount so determined shall be due and payable immediately upon service of notice as herein provided after which the amount determined is delinquent. Penalties on deficiencies shall be applied as set forth in KCC 603.400.

(a) In making a determination, the Tax Administrator may offset overpayments, if any, which may have been previously made for a period or periods against any underpayment for a subsequent period or periods or against penalties and interest on the underpayment. The interest on underpayment shall be computed in the manner set forth in KCC 603.400.

As soon as the Tax Administrator has determined the tax due that is imposed by this Chapter from any operator who has failed or refused to collect the same and to report and remit said tax, he/she shall proceed to determine and

assess against such operator the tax, interest, and penalties provided for by this Chapter. In case such determination is made, the Tax Administrator shall give a notice in the manner aforesaid of the amount so assessed. (4) The order or decision of the Tax Administrator upon a petition for redetermination of redemption and refund becomes final ten (10) days after service upon the petitioner of notice thereof unless appeal of such order or a decision is filed with the Board within ten (10) days after service of such notice.

unless the operator has first complied with the payment provisions hereof.

Said readjustment shall be made to reflect the proportion which the total collection of the tax imposed from the operators within the corporate limits of the respective cities bears to the total revenue collected from all sources within the County pursuant to this Chapter. This percentage figure shall be substituted for the figure of 50 percent shown in the formula set out in Subsection (1)(c) of this Section and shall be used in computing the distribution share of the various governmental entities. The readjustment shall be based upon the four quarters of receipts prior to the readjustment which shall be calculated no later than March 31 of each year. The Tax Administrator shall notify each participating city and the County of the adjustment at that time.

(f) Any incorporated city desiring to obtain the revenue to which they may be entitled under this Chapter shall enter into an agreement with the Board of County Commissioners of Klamath County, agreeing that this Chapter shall be effective within the city limits of said city and shall be in lieu of enacting a separate transient room tax. - a. Assessments or fees for any costs incurred by the County in remediation, cleanup, or abatement;
- b. Any hourly investigative fees charged for initial investigation during site visit;

Failure to pay an administrative penalty imposed under this code within 15 days after the penalty becomes final is a violation of this code. The building official has authorization to assign the unpaid penalty to the collection agency as outline in 700.093 by proceeding authorized by KCC 700.090, other provisions of this code, or state statutes.

In addition to enforcement mechanisms authorized elsewhere in this code, failure to pay an administrative civil penalty imposed under this code shall be grounds for withholding issuance of requested permits, issuance of a stop work order, if applicable, or

revocation or suspension of any issued permits or certificates of occupancy.

700.091 Building Official: Authority to Impose Administrative Civil Penalty. Upon a determination by the building official that a person, firm, or corporation has violated a provision of this chapter or a rule adopted under this chapter, the building official may issue a notice of civil violation and impose upon the violator and/or any other responsible person an administrative civil penalty as provided by subsections of this section. For purposes of this subsection, a responsible person includes the violator, and if the violator is not the owner of the building or property where the violation occurs, may include the owner.

Prior to issuing an order to correct a violation under this section, the building official may pursue reasonable attempts to secure voluntary correction.

Prior to issuing a notice of civil violation and imposing an administrative civil penalty under this section, the building official shall issue an order to correct a violation to one or more of the responsible persons. Except where the building official determines that the violation poses an immediate threat to health, safety, environment, or public welfare, the time for correction shall be not less than five calendar days.

Following the date or time by which the correction must be completed as required by an order to correct a violation, the building official shall determine whether such correction has been completed. If the required actions have not been completed by the date or time specified in the order, the building official may issue a notice of civil violation and impose an administrative civil penalty to each responsible persons to whom an order to correct was issued.

Notwithstanding subsections in paragraph (1) and (2), the building official may issue a notice of civil violation and impose an administrative civil penalty without having issued an order to correct violation or made attempts to secure voluntary correction where the building official determines that the violation was knowing or intentional or a repeat of a similar violation.

In imposing an administrative civil penalty authorized by this section, the building official shall consider:

- (A) The person's past history in taking all feasible steps or procedures necessary or appropriate to correct the violation;
- (B) Any prior violations of statutes, rules, orders, and permits;
- (C) The gravity and magnitude of the violation;
- (D) Whether the violation was repeated or continuous;

- (E) Whether the cause of the violation was an unavoidable accident, negligence, or an intentional act;
- (F) The violator's cooperativeness and efforts to correct the violation; and
- (G) Any relevant rule of the building official.

A notice of a civil violation that imposes an administrative civil penalty under this section shall either be served by personal service or shall be sent by registered or certified mail. Every notice shall include:

- (A) Reference to the particular code provision, ordinance number, or rule involved;
- (B) A short and plain statement of the matters asserted or charged;
- (C) A statement of the amount of the penalty or penalties imposed;
- (D) The date on which the order to correct was issued and time by which correction was to be made, or
- (E) If the penalty is imposed under KCC 700.091 paragraph 6(E), a short and plain statement of the basis for concluding that the violation was knowing, intentional, or repeated; and
- (F) A statement of the party's right to appeal the civil penalty to the Compliance Hearings Officer; a description of the process the party may use to appeal the civil penalty; and the deadline by which such an appeal must be filed.

700.092 Appeal Procedures. The purpose of the Compliance Hearings Officer Review Procedure is to conduct impartial administrative hearings and render decisions in the Building Inspection program under ORS Chapter 455. The Compliance Hearings Officer works through the dispute resolution process between the Building Department and the public. The Compliance Hearings Officer review procedure allows for an impartial tribunal, the opportunity to present evidence, assurance against ex parte contacts, and the means to create a record of hearings providing findings of fact and conclusions of law.

Any person, firm, or corporation who is issued a notice of civil penalty may appeal the penalty to the Compliance Hearings Officer. KCC 700.090 of this code shall govern any requested appeal.

- (A) A person, firm, or corporation aggrieved by an administrative action of the building official taken under any section of this code that authorizes an appeal under this section may, within 15 days after the date of notice of the action, appeal in writing to the building official. The written appeal shall include:

1. The name and address of the appellant;

2. The nature of the determination being appealed;
3. The reason the determination is incorrect; and
4. What the correct determination of the appeal should be.

If a person, firm, or corporation appeals a civil penalty to the Compliance Hearings Officer, and the civil penalty is upheld, the penalty shall become final upon issuance of the Compliance Hearings Officer's decision.

Unless the appellant and the County agree to a longer period, an appeal shall be heard by the Compliance Hearing's Officer within 45 days of the receipt of the notice of intent to appeal. At least 10 days prior to the hearing, the County shall mail notice of the time and location of the hearing to the appellant. The appellant may waive the 10-day notice by signing a waiver choosing to waive the ten-day-written notice of appeals hearing date, time and place.

The Compliance Hearings Officer shall hear and determine the appeal on the basis of the appellant's written statement and any additional evidence the Compliance Hearing's Officer deems appropriate. At the hearing, the appellant may present testimony and oral argument personally or by counsel. The Compliance Hearings Officer will ask the appellant to come forward, be sworn in, and then testify. The building official may appear with or without counsel or through the building official's designee. The burden of proof shall be on the building official. The Rules of Evidence as used by courts of law do not apply.

The Compliance Hearings Officer will then provide an opportunity for appellant rebuttal. Generally, rebuttal to the appellant or appellant's rebuttal is allowed, at the discretion of the Compliance Hearings Officer, provided a final rebuttal opportunity is provided to the appellant in accordance with ORS 197.763.

The Compliance Hearings Officer shall issue a written decision within 30 days of the hearing date. All orders of the Compliance Hearings Officer shall contain findings of fact and conclusions of law addressing the allegations contained in a notice of civil penalty. Orders may also include findings of fact supporting the penalty, restrictions, conditions or other remedies as required by the Compliance Hearings Officer. The written decision of the Compliance Hearings Officer is final.

Failure to pay a penalty under this chapter within 30 days after the penalty becomes final is a violation of this code. The building official has authorization to assign the unpaid penalty to the collection agency as outline in 700.093 by proceeding authorized by KCC 700.090, other provisions of this code, or state statutes.

Review of an order of a Compliance Hearings Officer decision under this chapter by any aggrieved party, including Klamath County, shall be by writ of review before the Klamath County Circuit Court as provided in ORS 34.010-34.100.

700.093 Unpaid Penalties. If an administrative civil penalty is imposed on a responsible person because of a violation of this code resulting from prohibited use or activity on real property, and the penalty remains unpaid for 30 days after such penalty becomes final, the building official will assign the unpaid penalty, to the contracted, and duly registered collection agency. When such assignment is made, the building official shall notify the responsible person that the unpaid penalty will have an additional 35% collection fee added to the penalty, plus interest at 9% per annum at the time of assignment.

In addition, the building official shall withhold issuance of requested permits, or revocation or suspension of any issued permits or certificates of occupancy until the penalty, investigation fee, and related collection fee, including interest are paid in full.

The County may institute appropriate suit or legal action, in law or equity, in any court of competent jurisdiction to enforce the provisions of any order of a Compliance Hearings Officer, including an action to obtain judgment for any civil penalty imposed by an order of the Compliance Hearings Officer.

SEVERABILITY

700.100 Severability. The provisions of this Ordinance are severable, and any invalid section, subsection, sentence, clause, phrase or portion of this Ordinance if for any reason is held invalid or unconstitutional in a court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision and shall not affect the validity of the remaining portions of the Ordinance.

CHAPTER 800
UNIFORM CIVIL VIOLATION PROCEDURE

800.001 Purpose. A civil violation procedure has been established for the purpose of decriminalizing penalties for violations of certain civil ordinances and for the purpose of providing a convenient and practical forum for the civil hearing and determination of cases arising out of said violations.

800.005 Definitions. For the purpose of this Ordinance the following mean:

(1) "Civil violation" means commission of an act or omission to act in a manner prescribed by this Ordinance or other County ordinance constituting breach or infringement of a section of a County ordinance or of this Ordinance constitutes a civil violation and shall be handled in accordance with the procedures established by this Ordinance.

(2) "Enforcement Officer" means the County Commissioners or any designee or designees whom the County Commissioners appoints by Resolution or Order to enforce the Code.

(3) "Penalty; Penalty schedule" means the only penalty to be imposed for a violation is a monetary penalty. The penalty to be assessed for a specific violation will be determined pursuant to specific provisions within the ordinance defining the violation or the penalty schedule found in KCC 800.900. The procedure prescribed by this Ordinance shall be the exclusive procedure for imposing a penalty; however, this section shall not be read to prohibit in any way any alternative remedies set out in ordinances or state statute or state law which are intended to abate or alleviate ordinance violations, nor shall the County be prohibited from recovering, in a manner prescribed by law, any expense incurred by it in abating or removing ordinance violations pursuant to any ordinance.

(4) "Person" means any natural person or persons, firm, partnership, association or corporation.

(5) "Prior contact" means:

(a) Any prior contact between the Enforcement Officer and the responsible party regarding the alleged violation, including, but not limited to phone calls, personal oral communication at any location, letters or other forms of written communication, or a prior citation issued for the same or similar violation.

(b) Prior contact shall be deemed to occur without actual contact between the Enforcement Officer and a responsible party if the alleged violation is related to regulated activity for which the County has issued any permit, license, agreement, or written directive required by law or policy of the County in conjunction with the regulated activity. No time limit shall restrict prior contact which is deemed to have occurred under the terms of this section.

(6) "Responsible party" means the person responsible for curing or remedying a violation and includes:

(a) The owner of the property or the owner's manager or agent or other person in control of the property on behalf of the owner;

(b) The person occupying the property including bailee, lessee, tenant or other person having possession;

(c) The person who is alleged to have committed or authorized the commission of the violation.

800.100 Violation Procedure.

(1) Reporting. All reports or complaints of violations covered by this Ordinance shall be made to the Enforcement Officer.

(2) Review of Facts By Enforcement Officer. When a violation covered by this procedure is reported to the Enforcement Officer, the Enforcement Officer may refuse to proceed further with the matter after a review of the facts and circumstances surrounding the alleged violation, and upon making a determination that sufficient evidence does not exist to support the allegation that a violation has occurred or if the Enforcement Officer deems it in the best interest of the County.

(3) Prior Contact. Before a uniform violation citation and complaint is issued for a civil violation the Enforcement Officer may make a prior contact with the responsible party. Whether a prior contact is made prior to issuance of a uniform violation citation and complaint for a civil violation, is solely within the sound discretion of the Enforcement Officer while enforcing the best interests of the County.

In making the prior contact, the following information shall be communicated to the responsible party:

(a) a description or identification of the activity constituting the alleged violation and identification of the recipient as being the responsible party for the violation;

(b) a statement that the Enforcement Officer has determined the activity to be a violation;

(c) a statement of the action required to remedy or cure the violation and the time and/or date by which the remedy must be completed or begun;

(d) a statement advising that, if the required abatement is not completed or commenced within the time specified, a uniform violation citation and complaint will be issued and that a penalty in the maximum amount provided by Section 800.900 of this Ordinance for that particular violation could be imposed.

(4) When the Enforcement Officer considers it advisable, the Enforcement Officer may enter into a written agreement resolving the problems which gave rise to the complaint. The agreement shall be known as a voluntary compliance agreement and shall be binding on the responsible party. The fact that a person alleged to have committed a civil violation enters into such an agreement shall not be considered an admission of having committed a violation for any purpose.

(5) During the time allowed in the voluntary compliance agreement for the completion of necessary correction action, the

County shall hold in abeyance further processing of the alleged violation. If all terms of the voluntary compliance agreement are satisfied, the County shall take no further action concerning the alleged violation other than those steps necessary to terminate the matter.

(6) The failure to comply with any term of the voluntary compliance agreement constitutes a separate Class A Civil Violation and shall be handled in accordance with the procedures established in this Chapter. The County may also proceed with processing the alleged violation giving rise to the voluntary compliance agreement.

800.110 Issuance of Uniform Violation Citation and Complaint.

(1) If the responsible party with whom prior contact was made fails to cure or remedy the alleged violation or if the Enforcement Officer does not make a prior contact, a uniform violation citation and complaint signed by the Enforcement Officer or any citizen may be filed with the Klamath County Justice Court or the Klamath County Circuit Court charging the responsible party with the civil violation and setting a date for the responsible party to appear before the court to answer said complaint. The violator may be prosecuted by the County in the name of the County or be made a defendant in a civil proceeding as prescribed by O.R.S. 203.065.

(2) The Enforcement Officer shall prescribe the form of the uniform violation citation and complaint, but it shall consist of an original and three copies. The required copies are to be distributed as follows:

- (a) One to the Enforcement Officer;
- (b) One to the person being cited;
- (c) The original and one copy to the Court.

(3) Each of the three pages shall contain the following information:

- (a) the name of the court and the court's file number, if available;
- (b) the name of the person cited;
- (c) the violation with which the person is charged;
- (d) the date, time and place the violation occurred, or if the violation is of a continuing nature, the date, time and place the violation was observed by the enforcement officer, or the citizen signing the complaint;
- (e) the date on which the citation was issued;
- (f) the scheduled penalty for the alleged violation;
- (g) the time and place at which the person cited is to appear in court to answer the complaint.

(4) The complaint shall contain a form of verification that the person signing the complaint swears that the person has reasonable grounds to believe, and does so believe, that the person cited committed the violation.

800.120 Service. Service of the uniform violation citation and complaint shall be made by personal service upon the responsible party. If personal service cannot be made then

service of the uniform violation citation and complaint shall be in accordance with the Oregon Rules of Civil Procedure.

800.130 Answer.

(1) A person who receives a summons and complaint alleging a violation shall answer such complaint by personally appearing to answer at the time and place specified therein; except an answer may be made by mail or personal delivery if received by the County within ten (10) days of the date of the receipt of the summons as provided in subsection 2 and 3 below.

(2) If the person alleged to have committed a violation admits the violation, the person may complete the appropriate answer on the back of each summons and forward the summons to the appropriate court. Cash, check or money order in the amount of the penalty for the violation alleged as shown on the face of the summons shall be submitted with the answer. Upon receipt of the penalty, an appropriate order shall be entered in the court records.

(3) If the person alleged to have committed the violation denies part or all of the violation, the person may request a hearing by completing the appropriate answer on the back of the summons and forwarding the summons, together with security for court fees. Upon receipt, the answer shall be entered and a hearing date established by the court. The court shall notify the person alleged to have committed the violation by return mail of the date of the hearing. The security received shall be returned upon appearance by the person alleged to have committed the violation for the hearing, except as otherwise provided in this Chapter. The security deposit may be waived in whole or in part at the discretion of the court for good cause shown and upon written application of the person alleged to have committed the violation setting forth the reason for requesting the waiver and certifying that the person alleged to have committed the violation will attend the hearing when scheduled.

800.140 Hearing.

(1) Every hearing that is held before the Circuit court to determine whether a violation has been committed shall be held without a jury.

(2) The defendant may be represented by legal counsel, but legal counsel shall not be provided at public expense. If legal counsel is to appear, written notice shall be provided to the court at least ten days prior to the hearing date.

(3) Klamath County may be represented by legal counsel or the designated Klamath County Enforcement Officer.

(4) The defendant shall have the right to present evidence and witnesses in the defendant's favor, to cross-examine witnesses who testify against the defendant and to submit rebuttal evidence.

(5) The hearing shall be limited to production of evidence only on the violation alleged in the complaint.

(6) The complainant or, if the County is the complainant, the Enforcement Officer, shall have the burden of proving the alleged ordinance violation by a preponderance of the evidence.

(7) After due consideration of the evidence and arguments presented at the hearing, the court shall determine whether the violation as alleged in the complaint was committed. When the violation has not been proven, an order dismissing the complaint shall be entered in the court records. A copy of the order shall be delivered to the person named in the order personally or by mail. When the court finds that the violation was committed, and upon written request by a party to the hearing, the order shall include a brief statement of the necessary findings of fact to establish the violation alleged.

(8) Upon a finding that a violation has occurred, the court shall assess a penalty pursuant to the schedule established in accordance with this Chapter, plus court costs and witness fees. The judge is authorized to set reasonable court costs including security for court fees by court order.

800.200 Enforcement.

(1) If a cited person fails to answer the summons and complaint or appear at a scheduled hearing as provided herein, a default judgment shall be noted for the scheduled penalty applicable to the charged violation. In addition, when a person fails to appear for a hearing, the security posted, or an amount equal to the security waived, shall be ordered forfeited. Nothing in this subsection shall be construed to limit in any way the contempt powers of the judge granted by State law, and the judge may exercise those powers as the judge considers necessary and advisable in conjunction with any matter arising under the procedures set forth in this Chapter.

(2) Any penalty assessed is to be paid no later than ten (10) days after the receipt of the final order declaring that penalty. Such period may be extended upon order of the judge.

(3) Delinquent penalties and those brought to default judgment which were assessed for violations may in addition to any other method be collected or enforced pursuant to O.R.S. 30.310 or 30.315.

800.210 Lien Filing and Docketing.

(1) When a judgment is given in either Justice Court or Circuit court in favor of the County and includes a money award, such judgment shall become a lien upon all the judgment debtor's real property as set out in O.R.S. 18.150.

800.300 Effect of Citation on Nuisance. The requirement to abate a nuisance is not a penalty for violating nuisance ordinances, but is an additional remedy. The imposition of a civil violation penalty does not relieve a person of the duty to abate a nuisance.

800.400 No Mental State Required. Acts or omissions to act which are processed pursuant to the provisions of this Ordinance or are designated a violation by a County ordinance, do not require a culpable mental state as an element of the violation.

800.450 Non-Exclusive Remedy. The procedures and remedies contained in this Ordinance shall not be read to prohibit in any way any alternative remedies set out in ordinances or State statues or State law which are intended to alleviate ordinance violations or abate nuisances, and the procedures set forth in this Chapter shall not be prerequisites for utilizing any of said alternative remedies.

800.900 Schedule of Penalties.

(1) Violations are classified for the purpose of determining penalties in the following categories:

- (a) Class A violations.
- (b) Class B violations.

(2) An assessment of a penalty for a violation shall be an assessment to pay an amount not exceeding:

- (a) \$ 720.00 for Class A violations;
- (b) \$ 360.00 for Class B violations;

(3) For a continuing offense where only one citation is used, a fine of not more than \$1,000.00 may be assessed.

(4) Violations of specific Klamath County Ordinances are classified as follows:

Ordinances enacted after the effective date of this Ordinance which provide a penalty provision for their enforcement shall expressly incorporate the violation procedure set out herein and classify violations thereof in accordance with this Section of this Ordinance.

800.920 Severability. The provisions of this Chapter are severable. If a portion of this Chapter is for any reason held by a court of competent jurisdiction to be invalid, such decision shall not affect the validity of the remaining portions of this Chapter.
